My desires for the Holy Spirit and God are to be a problem solver. It is reason why I started my own personal grassroots project as an undergraduate student called Pastor Hobson Homelessness Initiative. I started my own congregation on Westside of Chicago and included homelessness initiative and renamed it as Global Homelessness Initiative. God is the strength of my heart and all our hearts for people that believe in God. When you worship the Lord in your life daily, the flesh and sin will fall out of your life forever. Your desires to the Lord will provide you great reward by being righteous and obedient to God. I have the hearts to do charitable things and give to charity. I am a blameless person that takes responsible for my actions, volunteer and do good

work for the community personally and professionally, one lover and/or spouse, good personality and sober, condemn the devil and evil,

1. Pray for others to be good and spiritual
