As Christian and disciples, we need Biblical wisdom to God and the Bible to apply to our life. What we need to do is apply key scriptures to our life as Christians and disciples. We do not want to gain wisdom from the world. The world is full of sin and leads people down the path of unrighteousness and sin. I will continue this series in the pulpit in Baltimore starting tomorrow during Bible study service and Sunday services. We were born sinners, but we do not want to live as sinners. We want a spiritual death when we do die on earth. That is a 100% fact. The world can provide us with untruths and lead us to weaknesses. Turn to the person next to you and say do not let the world make you weak. Our wisdom from our decisions must come from above. When you continue to get your wisdom from Jesus, your heart and soul will continue to grow as a mustard seed to heaven. People that do not want to live obedient to the Lord really fear the Lord and making sacrifices to serve and live for God as the rock of their salvation. People that do not want to seek God and wisdom want to continue to live by their understanding. You have people in the world that want to continue to live by mammon and tax collectors. Turn to the person next to you and say do not live like a tax collector. Turn to the person on the other side of you and say do not rely on mammon and let God provide for you from his kingdom.

Be cautious of people pleasers that may want to use and please you with greed and take advantage of your kindness. I was told not to let people take advantage of my kindness while I was in the Spiritual Recovery Program at Star of Hope Mission in Houston and commenced in October 2023. Read Galatians 1:20 and 1 Thessalonians 4:11.

"The fear of the Lord is the beginning of wisdom and the knowledge of the Holy One is understanding."-Proverbs 9:10

That is why I say we need to gain our biblical wisdom from God by not listening to idolatry that will lead us to sin and idolatry. We should not be listening to the Democrats and people like Kamala Harris on reproductive rights and abortion. Pastors and religious leaders are trying to promote the wisdom from God that we need to honor all humans including in the woman's womb. Democrats have no right to attack the Republicans and conservatives on their stance on abortion and women have the right to control their own bodies. The woman's body is a part of creation from God and God's image, but we all know God wasn't a woman. It do not need abortion clinics in communities and Planned Parenthood need to be held accountable and put out of business to stop promoting abortions to women to encourage women to get abortion even during rape or incest. Abortion is sin and lust in the Bible. Read Matthew 5:28-30.

"Do not love this world nor the things it offers you, for when you love the world, you do not have the love of the Father in you. For the world offers only a craving for physical pleasure, a craving for everything we see, and pride in our achievements and possessions. These are not from the Father, but are from this world. And this world is fading away, along with everything that people crave. But anyone who does what pleases God will live forever."-1 John 2:15-17

"So I say, let the Holy Spirit guide your lives. Then you won't be doing what your sinful nature craves. The sinful nature wants to do evil, which is just the opposite of what the Spirit wants. And the Spirit gives us desires that are the opposite of what the sinful nature desires. These two forces are constantly fighting each other, so you are not free to carry out your good intentions."-Galatians 5:16-17
