Anchoring yourself from Sin on Earth

December 10, 2015

Tell your neighbor welcome to bible study.

In order to be a disciple of Jesus Christ, you have to anchor yourself from sin on earth forever. If you think all you have to be saved to be happy, you are not a Christian and a disciple. It is nothing in the bible say about being happy in the Holy Spirit. Disciples need to read the bible and stay away from sin and wickedness daily forever on earth.

1. Stay away from violence and sin TV shows, movies and documentaries as a disciple. Christians serve as a disciple to yoke themselves to Jesus on earth. Disciples repent for their past sins and move on in the future to follow Jesus on earth. Christians are disciples that follow the path of Jesus and righteousness on earth.
2. Christians can participate in media fasting by not watching sinful nature on TV, movies and documentaries. Media fasting will make sure you have your mind, body and soul on Jesus while on earth. Media fasting will prove your love and sacrifice for the Holy Spirit on earth forever. Media fasting will prove that you care about succeeding to eternal life in heaven. Media fasting will prevent you from being distracted to Jesus on earth.
3. Christians watch nonviolent and unmindful TV shows, movies and documentaries. More people on earth need to watch movies like the Son of God. Christians do not listen to the devil music and watch devil TV shows. Christians only supposed to listen to spiritual music on earth.
4. Eliminate wickedness and sinful in your life on earth forever.
5. Be cautious of what you do and watch on TV daily on earth. You need to remain yoked to Jesus always on earth. Christians want to make sure you succeed to the Holy of Holies in the tabernacle on earth.
