

John 10:9-16

Dependent of God Guidance as a Shepherd

Psalm 25:5

Proverbs 1:5

Proverbs 16:9

Romans 8:14

I want to say a true story about myself at the Star of Hope Mission in Houston. I was happy to receive the mentoring I receive from program manager, case managers Mr. Gray and Pastor John Johnson on staying and serving out the Spiritual Recovery Program. I was happy to get the same mentoring from other staff member Charles Nowlin as well, preventing me from making decisions too fast and quickly to rush to leave Star of Hope Mission in Houston and Spiritual Recovery Program. When I share this testimony, I think about Proverbs 16:9 on letting God direct my path while making plans during times I was at Star of Hope Mission in Houston and after Star of Hope Mission in Houston.

God is the truth to Salvation.

God is the truth as our personal savior that died for our sins and rose again on the third day.

God is the truth and we live under his grace

God is truth that can direct your paths in a Godly and righteous way to keep you in the Holy Place in the Tabernacle.

God is truth and can lead you in the spirit to path of righteousness.
