Subpoena will order to evict current tenants at 5808 Lemay Street and female tenant to refer them to stay at homeless shelter, family or group under court order. My legal team were successful removing tenants from leasing companies in the past and replacing her with other respectful and good tenants. That will happen with this lawsuit and subpoena to have court escort them from property with an restraining orders not to return.

You do not want to be friends with psychopaths because they are not cheerful givers and all about greed. Most people are wicked, loners and separated from families. Wicked and mental healthy people think about themselves.
