

Signs of Deception in Our Society

Making Good and Promising Goals in 2021

As Christians and disciples of the Lord, you must have a pure and heart when you set goals in your life that is truthful and realistic. You should not set goals for yourself that you will not accomplish or cannot succeed. When you cannot succeed in something, it means the devil is attacking you and do not want you to succeed. God wants his children and servants to succeed with prosperity on earth. It is not a good idea to worship and listen to the devil because he creates enemies and evil on earth. People need to set goals and a direction I'm your life because you want to have fruit of the spirit in your heart. You want to commit to goals that you can accomplish. If you are a business or entrepreneur, you want to set good and promising goals to make sure your business succeeds. If you are member of Congress and politician, you want to set good and promising goals to succeed in their jobs to get things done for your constituents. If you are homeless at a homeless shelter, you want to set good and promising goals to end your homelessness situation.

Ways to make promising goals in 2021

- Do volunteer work at a library or organization
- Get involved and attend social network gatherings and fellowships
- Stabilize your emotions and maintain your intelligence
- Improve your communication skills to know communicate to people about goals
- Increase visibility
- You must have strong listening skills
- Attend college to take college classes to obtain additional skills
- Do better with time management and do not overwhelmed yourself
- Be effective to communication part of s team
- Read bible daily and memorize scriptures
- Attend church weekly by person and virtually
- Serve and get involved at churches and religious organizations

God will be with you, protect you, strengthen you, answer to you, provide for you, provide you peace, and love you. That's why God is our deliverer, provider, protector and healer. When we set goals for ourselves, we must have faith in God with commitment, diligence, perseverance and motivation. We must avoid humility. We must align ourselves with God and Holy Spirit to reserve our gift of eternal life. God can direct our paths on earth. As christian and disciples, People must commit themselves when they serve God. God created everything for us on earth. Do not be proud to live in abomination and condemnation. Evil and enemies of his kingdom and children of God will be punished and go unpunished. We need to eliminate evil in our lives by being truthful and having faith in God. People that do have goals and worship God daily will not Perish.

As Christians and disciples, we must have peaceful thoughts in our minds. Only people that will receive blessings where people trust and live for the Lord. We must show strength and do not let the

the devil and others weaken you. Christians and disciples are rewarded from God. We must have good vision for ourselves.
