Contentment in God's Will

This is the time we need to find peace to surrender to God's will and trust in him and his plans are better than your own.

“Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.”-Romans 12:2

Satan wants us to be conformed to the world so we can end up in hell to become one of his angels. That is where wicked homeless men and women will end up in hell and burn in the lake of fire as Satan angels. People are stuck in hell forever after people die on earth. People are not going to be able to do what Jesus did when he went to hell first before going to heaven. People need to spend time out of their life daily to ask yourself if you want better for yourself spiritually. This is the way my congregation has been growing because people want better for themselves spiritually so they will not end up in hell and burn in the lake of fire as Satan angels stuck in hell forever. Why do I want to go to hell and burn in the lake of fire as Satan angels and demons? As Christians and disciples, we want to defeat darkness by not worshipping Satan and hell. When you die on earth, you are stuck in hell forever and serving as one of Satan's demons. Satan is trying to recruit his angels and demons on earth by people being confirmed to the sin and the world. What are they thinking? For example, people living in bondage, temptation, sin, abomination and idolatry. As Christians and disciples, we must separate ourselves from the world. We want to be at the Most Holy Place in the Tabernacle, die and go to heaven to have the great feast, and live in the new earth without and have peace. Wicked and sinners on earth that continue to sin will get that result because it is 100% fact.

We must renew our minds to make the devil angry and make him lose. We must renew our minds to defeat the devil and his darkness. I want to say homeless shelters need to be like Star of Hope Mission in Houston and Helping Up Mission in Baltimore with mandatory spiritual recovery program. It is more like staff at homeless shelters do not like to force homeless men and women to religion. I disagree with that as a man of God and Bishop of this flock. These programs are needed at homeless shelters to prevent people from relapsing into the world and conforming to the world like the devil wants us to do. Homeless men and women at homeless shelters are wicked and sinful. That is 100% facts.

Trust in the LORD with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take.-Proverbs 3:5-6

People that come out of the closet to be gay and LGBTQ are leaning on their own understanding. People that rather love the world and God's kingdom are leaning on their own understanding. People rather live in sin and abomination because they want to lean on their own understanding. People that want to live as a tax collector and be all about mammon want to learn by their own understanding. People judging others with hate and thinking they know it all is leaning on their own understanding. People that do not trust in the Lord to understand all couples supposed to be man and woman. People do not want to trust in the Lord and understand Adam represents man and Eve represents women on earth that all couples are

supposed to be man and woman with children. People do not want to trust God's plan when females get pregnant at a young age or get pregnant before marriage. Men and women in today's society do not want to save themselves and trust God to bring them the right soulmate. That is why there are so many abortions and single parents raising children by themselves. The devil wants to encourage more people to come out of the closet to become homosexual and gay. The devil wants us to support marriage equality. God hates homosexuality, but Christ Jesus has not really talked about this stance and opposition in the bible. The devil wants us to kill and harm ourselves mentally, physically and legalizing marijuana and smoking marijuana. We need to start telling the devil no.

"And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words." -Matthew 6:7

Our Father in heaven,
hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven.
Give us today our daily bread.
And forgive us our debts, as we also have forgiven our debtors.
And lead us not into temptation, but deliver us from the evil one.
For if you forgive other people when they sin against you, your heavenly Father will also forgive you.
But if you do not forgive others their sins, your Father will not forgive your sins.

The Devil tries to keep stuff away from us. The Devil wants us to be in debt and owe money to debtors.
The devil wants us to be evil. Your gifts need to come from heaven and God's kingdom.
