Build a Tabernacle

People must build tabernacle in their household because people need to treat their household like It is the Holy Of Holies. Families and friends do not worship, fellowship and respect each other in the household. There are less people and households that have respected and Christian households. People must be open and honest with people in their households. People in households and families must have fruit of the spirit in their hearts. Households must be peaceful like the Tabernacle by having faith, appreciate and pray to God daily.

- * pray and fellowship with each other
- * No gossip and disrespecting each other in the household
- * No negative and disrespecting the church and religious institutions
- * No domestic violence and abuse in the households
- * No sexual harassment and abuse in the households

People must build a Tabernacle in their household to reject and stay away from sin and flesh. People must build a tabernacle in their household to reject living their lives by the darkness on earth. We must expand and build God's kingdom on earth to provide more righteousness on earth. When we build a Tabernacle, it will help more children to grow up in the path of righteousness everyday in their lives. Building a Tabernacle in the household will end lust and slaves to the devil forever. It needs to be more building Tabernacle in schools to help children to be good servants and stewards to the lord on earth forever. Building a Tabernacle in households will end gun violence and mass shootings in our communities.
