God has been awesome in my life on earth because God has been guaranteed blessings and improve my personal finances, keep me away from sin and dream busters like in Detroit (48208) right now, solve my troubles and clean my heart, be a cheerful giver to God and help the poor. I personally donated total \$5,613 to the poor and homeless since 2013 in Chicago and very little in Detroit based on personal receipts. Donations and charitable contributions were filed on my 1040 tax returns since 2013. I will file charitable contributions on my 2017 personal tax returns because I currently donated \$86 to help the homeless in Chicago and very little in Detroit based

on personal receipts. God comes through for cheerful givers to the Lord and giving back to the poor in communities. God can come into your heart and life as a cheerful giver and disciple to bless and praise me. I oppose same-sex marriage and abortion. God has moved me to bless me and keep me away from sinners and people that manage lives by the flesh.
