

Your Spiritual Authority

Topic: Do not Let Evil Build Itself in You

You are a warrior to the Lord and God as the rock of your salvation to eternal life in heaven. You are a warrior to the Lord as a Christian and disciple. You must support and do passionate spiritual things in order to resist the devil and worship God forever. Do not be chaser to God because will come to you and in your heart as long as you are faithful and righteous to the Lord daily. If you do not obey God commandments and continue to act like false Christians, God will and can tear down hodge worship, praises and protection around you. God will pass on your worship to other people on earth. we must not let the win because he is evil that represent the flesh, trials, tribulations and darkness. Satan is trying to destroy eternal life for all Christians and control the world with his evil.

I will be traveling and be in Chicago on July 7 because congregation will provide assistance to many homeless people at homeless shelters and living on the streets. Homeless and low income outreach from the congregation will be huge opportunity and investments to homeless people in Chicago to help with food, supplies and financial assistance. Outreach is being done and authorized under the recent executive order I signed to temporary move church Operations to Illinois during Covid-19 pandemic. According to treasurer reports from Board of Trustees in June along with income statements, congregation collected \$30 from members from tithes and offerings that paid for church operations and helping the homeless in Chicago in June 2020. According to March 2020 treasurer reports and income statements from Board of Trustees, congregation collected \$60 from members from tithes and offerings that paid for church operations and helping the homeless in Atlanta and Chicago. According to February 2020 treasurer reports and income statements, congregation collected \$220 from members tithes and offerings that paid for church operations and helping the homeless in Louisville, Atlanta and Chicago. According to January 2020 treasurer reports and income statements from Board of Trustees, congregation collected \$100 from members tithes and offerings for church operations and help the homeless in Dallas, Baltimore, Chicago and District of Columbia. Church collected \$200 from members tithes and offerings in February 2020. I am a progressive as a senior pastor that get things done.

Most church budgets express our values and morals for communities. Our budgets sets our priorities and social change for homelessness and low-income Americans. Homelessness need services to help them get out of poverty. Church do not let homeless people and low-income Americans suffer in Illinois and Northwest Indiana. Our budgets express our responsibility for congregation and helping the homeless. We have 3,881 members in our congregation. More tithes and offerings go to services for the homeless in Illinois. Homelessness Financial Relief Program and Emergency Assistance Program have been effective programs that help homeless in Africa, Illinois, Michigan, New York, Maryland, South Carolina, Georgia, Louisiana, Pennsylvania, Indiana and Iowa. It needs to be more services provided to youth by increasing fundraising and spending. I donated 95% of my own money to help the homeless in Chicago since 2011. It means \$10,297.96 of my own money for homeless charitable contributions in Chicago. I donated four percent of my own money to help the homeless in Detroit in 2018. I

donated less than one percent of my own personal money to help the homeless in Cleveland, Philadelphia, East Iowa, Kentucky, Georgia and New York.

Satan is a liar.
Satan blinds the minds of unbelievers
Satan masquerades in costumes of light and righteousness
Satan does signs and wonders
Satan attempts people to sin and provide sin on earth
Satan plucks the word of God out of people hearts
Satan causes sickness and diseases
Satan is a murderer
Satan fights against the plans of missionaries
Satan accuses Christians before God

When you have strong Faith in the lord as a disciple and Christian, you must be a precious and righteous person that strongly praises and honors God with daily meditation and prayer daily. Pray to the lord to ask Jesus to help you with your righteous accomplishments on earth. Devil want to control us and the world to provide lusts, murder, abortion and adultery. Devil wants us to lie on earth to take away our gifts of blessings from God and eternal life. You must be truthful and be honest with people and yourself daily. Do not live your life down the path of unrighteousness let the devil controls you to steal, kill and commit adultery. People need to let God shine on them to have faith in the Lord by strengthening your worship and Faith in God.

Transform yourself to Christ
Ask for God to come into your life and heart to protect you from evil
Be a cheerful giver and help the poor
Stay away from idolatry on earth
Stay away from sin and the flesh

Let God cast out the devil and sin in you to make your heart and soul pure for heaven
Do not Hustle for money and possessions, let God give you want he wants you to have because He is the provider and deliverer. Do you spoil your children and spouse because it represents the flesh and devil. You need to let God be your provider and deliverer for your households. You need to God and Holy Spirit humble, anoint and praise you like God anointed Jesus of Nazareth with holy ghosts and power. God will heal your heart and soul from the devil when you have strong faith in him and heaven. God will and destroy works from the devil. Submit yourself to God and the gift of eternal life in heaven to make yourself whole.
