Scriptures

“Seek the kingdom of God above all else, and live righteously, and he will give you everything you need.”-Matthew 6:33

How to apply the scriptures to our life?

We need to start placing God's kingdom in our life by ignoring 1 John 2:15-17 not love the world and receiving possessions in the world and doing sin. We need to stop living in temptation and bondage. I encourage people to find a church home and stay motivated to that church to get involved in a ministry.

- This congregation has 54 volunteers each year volunteering in ministries and the church. They are part of the Volunteer Scholarship Program to pay for college.
- Be proud to volunteer and serve in the church and ministry.
- Avoid being a tax collector
- Avoid greed and mammon.
- Be obedient and live under God grace daily because we supposed to be living under God grace daily. Jesus died for for our sins and rose on the third day.

Scripture in Context: Matthew 6:33

Jesus is preaching on anxiety and material possessions. I preached to the congregation in Detroit on materialism. Jesus addresses the disciples not to worry about their life and take what God is trying to you away from us. If you are hungry, God will help and provide you with food to get rid of hunger and food insecurity. The devil is a liar because he want us to corrupt our bodies and live a sinful life on earth. Do not follow the path of Lucifer. If you do not have clothing to wear, God will help and provide you with clothing. Atheists are liars.

What we need to do to become strong disciples to the kingdom?

- Seek his will and kingdom
- Submit to God authority
- Righteousness to God and his kingdom
- Read and memorize Proverbs 10:6-14 and 1 John 2:15-17
- Do not be discouraged by the LGBTQ community because we want to avoid sin and abomination. LGBTQ community is a basket of sinful deplorables. All couples to be a man and woman with children Adam represents men and Eve represents women. It is no such thing as Adam and Steve before Adam and Eve. that is the devil speaking to you and making individuals on earth think that way.
