

Living within God Grace on Earth

Why mourn for Jesus?

Zechariah 10:12

Christians mourn for Jesus resurrection on Easter Sunday because he sacrificed his life for us. In order to be an effective Christian and good steward to Jesus, you must make sacrifices. It is a key to accepting the gift of eternal life. Jesus rose again on the third day in the resurrection. All of us are saved by grace and God mercy forever. Christian grieve for him on earth. Christians believe in God to make sacrifices and crucifixion. We need to tell Jesus thank you daily. We are at war against the devil and devil do not want us to worship God and his word.

Tell the person next to you: devil is real and evil

Church honors Jesus while they do communion to honor Jesus forever. After Jesus died for our sins, he became the rock of our salvation. After the resurrection, we live in the new testament. If you believe you are saved by God grace and mercy, say amen.

Say the prayer to yourself daily by meditating to Jesus:

Heavenly Father,
Thank you for your sacrifice.
Thank you for giving me and giving me another chance
Lord deliver me from evil
Lord be my deliver and protector
Lord guide me to obedience on earth
Lord I am sorry for my sins
Lord I am sorry for my wickedness
Thank you for this day
Thank you for what you have given me.
In Jesus name, amen
