We need to stop letting the world handicap us and letting other people encourage us in the sinful world to do things that are sinful and all about idolatry. We need to stop letting the world handicap us and living in bondage. When I read the scripture Proverbs 22:7, I think about the federal government and Congress continuously borrowing money from foreign countries to pay off our debt. I personally sent a proposal to the Obama administration in 2011 to reduce our national debt and stop borrowing money from other countries. Nancy Pelosi rejected the proposal as the Speaker of the House along with House Democratic leadership. Democrats in the US House of Representative rejected it. Our nation is a third world country today because China owns more of our national debt. I see China owning us and continue to become a country that will replace us on the world stage. I see that happening if Kamala Harris is elected as President. It is always with all Democrats Presidents that they are afraid to stand up to China to hold them accountable. Donald Trump was the only President that did that. I believe the poor are the slaves to the rich in this nation that let us struggle with trials, tribulations and economic opportunity. Hilary Clinton said it back in 2016 that the rich are too big to fail and executives are too powerful to jail. That's why I oppose raising the debt ceiling because we do not need to borrow any more money from other countries to help pay our debt. Congress needs to consider my proposal I sent to the Obama administration personally electronically for consideration to reduce our debt by \$5.7 trillion by not touching Social Security and Medicare. In 2011, my proposal would reduce the national debt to \$8.8 Trillion. I support eliminating the user fee at the IRS for nonprofits to be tax exempt to make it easier to start a business and/or organizations in the USA. That's why Bernie Sanders always says that the rich should pay more in taxes because it seems like the rich are becoming too powerful as the top 1%. Lenders are powerful companies as well trying to talk Americans into taking out loans and more loans to put us in debt. We need to stop letting loan companies and lenders treat us like slaves in the world. Lenders and loan companies are like the devil to continue to trap us in debt with credit cards and loans.

"Just as the rich rule the poor, so the borrower is servant to the lender."-Proverbs 22:7 (NLT)

Politicians think they have more power over us as Americans because they have more wealth than us. We need to stop being trapped in this world and political system. We need to pray and submit ourselves to God and the Holy Spirit. All Americans need to stay home and not vote in this election and future elections. It is like politicians are using us for our votes in elections to keep their jobs and humiliate us to

be slaves to the world. George W. Bush humiliated us in his administration when he converted a budget surplus to deficit. Barack Obama converted our national debt even worse under his administration. Donald Trump increased the national debt and spending under his administration. It will be the same under the Harris-Walz administration. We are slaves in this nation in a third world country because we owe a share of the national debt as Americans that will be passed down to our children and grandchildren. My proposal in 2011 did not raise taxes on Americans to reduce our debt by \$5.7 Trillion. We need to stop listening to politicians in the world and other people in the world with sin and temptation. We need to submit and pray to God to guide us during our tribulations on earth.

We need
to stop living in bondage.
We need to stop living in temptation.
We need to stop living in idolatry
We need to stop living in sin and temptation.

Whatever we get in our email or in the mail about signing up for new credit cards and loans, we need to throw it in the trash and/or delete it. We need to continue to do that in our email to stop letting lenders and credit cards persuade us to apply for more and new credit cards to put us in debt and slaves to the world. We want to be debt free Christians and disciples. When I read Proverbs 22:7, I think about this nation's debt and we need financial peace by not having to pay back any debt to other countries. Americans do not deserve to pay more taxes to the government to payback debt or raise taxes for corporations and businesses, so businesses can move back overseas to China, India, Russia and South America. Democrats make foreign countries smile when they control the White House and Congress because countries overseas know they are about to get a boost in economic growth for jobs and business. Businesses know they can pay cheaper in taxes to hire labor. Homelessness goes up during Democratic administrations and that is 100% fact based on their economic policies.

Giving Time:

"Give freely and become more wealthy; be stingy and lose everything. The generous will prosper; those who refresh others will themselves be refreshed."-Proverbs 11:24-25.

When I live by the Scripture daily and all the cheerful giving that I did in communities in cities where I lived, I have donated my own personal money to the poor as SSI income has been my only income. God always comes through for me to bless me after I give to the poor and homeless in Chicago, Dubuque, Houston, Louisville, Detroit, Flint, Cleveland and Atlanta. God has not really blessed me that much in Atlanta. It seems like bad economic situations always happen to me in Atlanta like the devil attacks me too much in Atlanta. When I was living in Chicago, God always blessed me daily after I was highly motivated to help the poor and homeless in the Chicago Southside and Westside communities. I may not be wealthy in having lots of money, but I am wealthy in the spirit of God. When I was living in and out of homelessness since 2011, it seems like I always got blessings from God after I give in church and help the poor. I know I prosper spiritually after I give and help the poor. Before I was born again, God did not help me at all in my life because I cared mostly for myself years ago. I really never had to live off the government for nothing in my life except for SNAP, Medicaid and SSI. I believe God will truly bless me

when I move back to Detroit because I will not be living SSI income any more and will start paying rent like other apartment renters and homeowners. I will not have to live on SNAP either because I can buy groceries like other Americans and go to food pantries for food for the household. When I am back in Detroit, I will do more personally to help the poor and homeless financially and economically while living in nice permanent housing that God has blessed me with that is affordable in a nice neighborhood and community. God has blessed me when my family was not able to be in my life and let me live and out of homelessness since 2011. I am grateful for the little help that I was able to get by. As a man of God and Bishop of the congregation, I still pray for my family because my family members are still sinful and live in sin and idolatry. I am still for my family because my family members still live in bondage. I pray for my family in hope for everyone to come together and stop hating each other with negative gossip. I pray for my family to become more Godly and live obedient to God before they unexpectedly leave this earth.

I am refreshed with a pure and good heart when I give back to the community, pay tithes and offerings in church and help the poor out of my personal income. I am asking you to follow my example to become a cheerful giver to the Lord and see the results you will receive from your strong faith and obedience to God in your life going forward. I ask you to support our ministries by donating either \$1, \$10, \$25, \$50, \$100, \$250, \$500, \$1000. You can donate your tithe and offering to the link below. Wherever you are and looking to make an offering and looking for a church home. You can contact me at my email address: bishopnicolas.hobson@gmail.com, email Membership Development Ministry and staff will send you a link to the new members application: membership@religious.com. When I was living in Chicago, I gave homeless men and women money for food daily to avoid those homeless men and women dealing with food insecurity. I gave homeless men and women on CTA trains leftover food. When I lived in Detroit for a long time, I provided food and money to the homeless out of my own personal money. When I lived in Louisville for a short period of time, I gave the homeless and poor \$50 of my own personal money to help them out economically and financially. In Cleveland, I donated over \$60 to the homeless on the streets to help them living in poverty and Homelessness. I gave so much money to churches for tithes and offerings over the years to continue my strong cheerful giving to the Lord. Membership Development Ministry staff will forward the application to people looking for a church home in Southeast Michigan, Flint, Chicago, Houston. When I am back in Detroit long term, I will use what I learned in TLC after October 2023 commencement to budget my personal money on caring for the homeless on the streets of Detroit. I will budget. Membership@religious.com is the actual email for the Membership Development Ministry and staff have been complaining to me about residents from overseas acting like they are slow thinking it is me that is emailing me. That is the actual email from Membership Development Ministry that was setup by staff for ministry and church operations purposes. The church still has open membership to individuals looking for a church home anywhere. After individuals fill out a new members application, they are allowed to submit to the email address so it can be processed by Membership Development Ministry staff.
