

Bitterness

Christians and disciples follow peace for all peace. Christians and disciples are holy and worship the Lord. Acting bitter is troubling and sinful for people. Christians and disciples are diligent to the Lord. Christians and disciples take away bitterness out of their lives. Christians and disciples do not speak evil, anger and malice. Christians and disciples are kind to others. Christians and The disciples are tenderhearted and forgiving. Christians and disciples do not like Muslims that provoke people. ISIS is a threat and hate on humanity as well as Christians. Christians and disciples do not curse and curse people. Christians and disciples do not stir hate. God will forgive you for our trespasses. God delivers people from evil and corruption. Christians and disciples are not hasty. Christians and disciples do not talk with filthy communication.

When you hear homeless people talking about their economic hardship and poverty, they rely on too much government and support systems. Why are homeless men afraid of responsibility? When you are Christian or disciples, you cannot have it both ways. Pathway to heaven and eternal life is a one-way street, not a two way street or driveway. Holy Spirit Spirit and God is not an old piece of junk for people to use it when they want too. You must continue to follow the one way street to heaven and eternal life in heaven. When you repent and confess your sins, you cannot sin again to succeed in the tabernacle to the Holy of Holies. God is judging people right now that lie, steal and wicked.

Love in your heart and Holy Spirit.

Stay away from the flesh and darkness

Be honest and trustworthy, do not lie or steal

99.9% of homeless people need to find themselves. If homeless people do not find themselves to call on God to be saved, they will continue to be wicked and live in the darkness.
