

## **Have Faith, Live and be Anointed to God**

Exodus 28:41

So you shall put them on Aaron your brother and on his sons with him. You shall anoint them, consecrate them, and sanctify them, that they may minister to me as priests.

When people told me while they are around me, the room and atmosphere feel anointed. People see me reading and always preaching the bible as well as God word. I am always ministering to people telling about the path of righteousness every day of their lives. People says the atmosphere is anointed because I am always doing God work by helping the homeless and poor.

During this coronavirus outbreak, this is the time to repent to protect yourself from the devil because the devil created this disease to cause people to lose their jobs. The devil is putting us in the struggle so we cannot pay for our housing, food, manage a business and cause a decline in our well-being. If you were living your lives in sin and the flesh, you need to confess and repent right now to the lord. When you have faith in God, you have better chance eliminating Demons and devil from your lives forever. You have better chance to eternal life in heaven. Jesus will heal you when you are sick. You can get bottle of your own bless oil to pray and stay closer to Jesus daily or weekly.

James 5:14-15

If you are sick or someone you know is sick, you need to go to the elders of the church. You need to call on your elders, bishop, apostle, prophets, deacons and pastors of your church or any church to pray for your healing. We all need to pray for one another and not tear people down with gossip, sin and temptation, devil, flesh. If you need a church home and My congregation doors are open, call the church office anytime at (313) 789-0907. If you like to be baptized, the membership ministry will baptize you. This is the time to be humble to the Lord and Holy Spirit.

This is not the time to live on earth in the darkness during coronavirus outbreak in this country. When you pray to the Lord daily and have faith in God, the devil will remain

distant and stay away from you always.

Let the Lord save you when you are sick  
Let the Lord save you when you are struggling or living in the struggle  
Let the Lord save you from living in the flesh  
Let the Lord save you from listening or living by temptation  
Let the Lord save you from sin and devil  
Let the Lord save you and be rock of your salvation to eternal life in heaven  
Let the Lord save you and be your shield  
Let the Lord save you and send his angels to look over you daily  
Let the Lord save you and treat your body as a temple  
Let the Lord save you and answer your prayers daily

Psalm 91

Praise and trust Lord as your refuge  
Pray to the lord as your fortress and rock of your salvation  
Praise the Lord and be truthful to him at the key to throne in heaven  
Praise the Lord and not be afraid to denounce the devil as well as hell  
Praise the Lord and live your life as the light to heaven.  
Praise the Lord and let Jesus reward you daily with his blessings and miracles  
Praise the Lord and honor Jesus as your rock of your salvation

Ways to praise God and Holy Spirit during coronavirus outbreak

You can still do communion outside of church by using bread, cranberry or grape juice.  
When you do your own communion once a month, say a prayer to the Lord and make sure you stick to the prayer for the month. If you have good praise from God for the month, you need to thank Jesus for praising you by getting down on your knees and holding up your plans for the Lord. Bread represents Jesus and juice represents the blood of Jesus.  
We need to minister and serve unbelievers to serve the lord during these tough times on earth. This is the time for all of us to receive Jesus and holy spirit to save us from sin and sickness. We need to be whole this time during the coronavirus outbreak.

We have the power and need to cleanse our soul and spirit from all unrighteousness during these tough and struggling times. If you want to cleanse your soul from the devil, you must minister and denounce him from your your forever by creating your own Tabernacle and twelve disciples. Make sure your twelve disciples are loyal to you and to the Lord. You have the power to denounce the devil to corrupt your spirit to the lord. Do not let the devil kill you and sent you to his kingdom of hell. You must be a cheerful giver and help the poor because the devil encourages people to be selfish and not give. People need to be gracious to donate their money to help the poor, organizations and churches. Devil encourages us to be all about greed including top 1% that do not want to give and keep their wealth for themselves. More rich people should want to pay more in state and federal taxes to help poor and middle-class households in this country. God can keep you away from bad people and enemies on earth. If you are dealing with corrupt and enemies family, you need to get

away from your family to move away from them with your own housing or move in with a spiritual caring friend. This is the time to have fruit of the spirit in your heart. You must take responsibility for your sins and living by the flesh.

We need to stop doing things on our own with hustle for money and possessions. we must not listen to the devil to provide fornication and lust. We must cast out the devil and let Jesus control your lives on earth. We must cast out the devil and obey God's plan for us daily. You must be born again and live a new life in Christ to succeed in the Tabernacle. I donated \$10,533 of my own money to help the poor going back to 2014. People must stop doing everything by freewill and resisting the devil in our everyday lives on earth. People are dying from this coronavirus because the devil is on attack on humanity. Devil is losing people to his kingdom, so he needs this coronavirus for a win for him and retaliation to make God the loser. Devil is causing fear all around us on earth with death and sickness from coronavirus. Devil is causing confusion and losing our contentment with our minds. This is the time homeless people need to find themselves to resist their devil thinking and ways daily. Homeless people need to spend this time to find themselves to get closer to God and tear down the wall between you and God by changing yourself for Christ. We need to end homosexuality and LGBT because it is a sin and represents the darkness. You have the power to end your homosexuality ways and think positive to find a Christian soulmate that will support you in your life.

It is what do right now to convert homosexuality and LGBT to straight by telling about Adam and Eve. I tell homosexuals about the bible and couples supposed to be man and woman with children.

God will deliver you from homosexuality  
God will deliver you from homosexual survival sex  
God will deliver you from temptation  
God will deliver you from your troubles
