

## **Signs of Deception in Our Society**

### **Honoring Israel and Jerusalem**

We need to honor Israel because it is the place Jesus died for our sins and rose the third day in the resurrection. We must honor Jerusalem and Israel because we must respect the resurrection of our God. I supported Israel capital and it being holy land for the Christian people around the world. Also, we must respect and honor Palestinians because Palestinians and Israel must collaborate and work together as two nations. Palestinians and Israel must compromise on Gaza because I believe Israel and Palestinians can compromise on Gaza to end the violence. Christianity, Islam, Hinduism, Buddhism are the best religions in the world. It seem like Gaza should belong to Palestinians based on the history going back to world war I. It is a way Palestinians and Israel can do 50/50 control and partnership to end violence in Gaza. Jerusalem is mentioned 806 times in the bible. Jordan needs to be part of negotiations and deals.

If the Biden administration close the new embassy in Jerusalem, he is disrespecting God and Jesus' resurrection. They are disrespecting the home of hinduism, Islam and Christian people. Congress passed the law with high bipartisan vote and became law in 1995 until Bill Clinton used waiver authority not to move the US Embassy to Jerusalem. Barack and George W Bush signed the waiver not to move the embassy to Jerusalem. prayer will make Israel and holy lands great. God will bless people that deserve to be blessed. God will curse people that deserve to be cursed. People believe a peaceful Israel and Palestine will prosper from the love of God. When we pray and support israel and holy lands, it is the path leading to righteousness to God. As we honor Israel and Jerusalem, we need to respect the history of Jerusalem and why we should honor it.

- It is an old city where Jesus was resurrected
- It is Home of some religions
- Israel is righteous nation to christianity and righteous Christians around the world
- Pray for peace in Israel, Palestine, Jordan and Jerusalem
- It is called the house of the Lord
