

Selfishness in Our Society

Turn to the person next to you and say stop the narcissism

Turn to the person on the other side of you and say stop being all about yourself

You hear wealthy people working themselves up to become rich and do not help the poor or rather avoid paying taxes. You see wealthy people like to become selfish in this nation and not distribute their wealth to pay their fair share in taxes. You hear wealthy people in this nation starting their own foundation and giving a limited amount or very little to help the poor and homelessness. Why do foundations have tough regulations on awarding grants and scholarships? Foundations and people that manage foundations need to stop acting so selfishly with regulations to help the needy and homelessness in this nation. People in this nation need to stop acting selfish and being takers in our nation. When you have the fruit of the spirit in your hearts and life, God will come through for you. According to past receipts of personal donations and tax returns, I donated over thousands of dollars of my own personal money to help the poor and needy in this nation and abroad. I want to make one thing clear that I do not control church finances and the church has a bookkeeping team. I do not make any deposits of donations, tithes and offerings. Most of my personal charitable contributions were made in Chicago known as my hometown and as a Chicago native.

The bible makes it crystal clear that you must be a cheerful giver in order to receive. It is part of succeeding in the Holy of Holies in the tabernacle. When you continue to be takers, you will continue to be stuck in the outside of the brazen altar for the tabernacle. As a nation and society, we must control our selfishness in this nation and world. If you want to overcome your selfishness in this nation and society, you want to donate and pay your offering to this congregation right now to turn your life over to the Lord and start receiving blessings from God. you will need it because we live in a potential recession and something bad happens in your life right now or in the future. You want to have God on your side. We live in the new testament in this world and not in the old testament that allows people to be all for themselves. First lady Jennifer has donated her own money to help the poor over the years too. As ordained Bishop of the congregation, I am not selfish and care for others including the poor based on a track record helping the poor and homelessness. That's why I started my own personal grassroots initiative as an undergraduate student in Chicago to help the homeless and poor. Homelessness Initiative became the Global Homelessness Initiative in September 2014. This congregation starts out small with 41 people members for each service and membership to 1,055 members in attendance for services when myself or other ministers preach every week. The church has 4,967 members total because congregation members that live in other parts of the United States of America and overseas that want this congregation to be their church home and people want me to become their bishop/senior pastor.

Say control your selfishness

Galatians 2:20

“My old self has been crucified with Christ. It is no longer I who live, but Christ lives in me. So I live in this earthly body by trusting in the son of God, who loves and gave his life for me.”

I was informed by the Music and Arts Ministry that the choir favorite hymn/song is **Hold On, Help on the Way by Whitney Houston** and **Man in the Mirror** from movie **Joyful Noise** because it is like what I say in this sermon and previous sermon about us living and maintaining our place in the Holy of Holies in the tabernacle. The choir and congregation want to send the right message to visitors, new members and current members that God is on the way along as you hold on to your faith in him as you succeed in the Holy of Holies in the tabernacle. If you are living paycheck-to-paycheck in these tough economic times with inflation, you call and pray to God for his help. God help will be on the way you live obediently, obey his commandment, read the bible daily and analyze it and stay out of the darkness in your life.

Philippians 2:1-4

“Is there any encouragement from belonging to Christ? Any comfort from his love? Any fellowship in the Spirit? Are your hearts tender and compassionate? Then make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one mind and purpose. Don’t be selfish, don’t try to impress others. Be humble, thinking of others as better than yourselves. Don’t look out for your own interests, but take interest in others, too.”
