

John 10:9-16

Stop Letting the World Validate Us and Continue to be Shepherd to God

Heavenly Father,

You are holy and merciful

Guide me to help me keep my focus on you daily, not the world

Guide me to help us keep our focus on you to keep us righteous to God and the Holy Spirit.

Guide us to help keep us away from righteousness while we go forward with our lives forever by strengthening our prayer life and obedience to you.

I ask you to be our problem solver daily and keep the devil out of our lives

I ask you to be a problem solver daily to homeless men and women living on the streets with no place to go to give the wisdom to get out the streets to a place where they can have a roof over their head by going to a homeless shelter to get help.

I ask you to be homeless men and women problem solvers that are still wicked and act with wicked ways.

Thank you for us to keep our focus on God and Holy Spirit to get through the Tabernacle to the Most Holy Place in the Tabernacle by obedient to you daily.

I ask you to shine light in our life to build on our good relationships with others daily.

Let us not live by the world and let the world validate us by not being all about 1 John 2:15-17.

Guide more homeless men and women to have more hope in God and Holy Spirit

I ask to eliminate conceit in our lives and around us daily.

In Jesus name, Amen

Romans 15:13

Romans 13:4-6

John 17:3

John 11

We need to stop letting the devil handicap and hijack us with our minds and emotions to lead us to ungodliness, envy, signs of deception and jealousy. We need to stop letting the devil and world handicap and hijack us to distract us from God in our life, so we can use our freewill God has given us the wrong way to allow us to make ungodly and sinful decisions daily. We need to stop letting the devil and world validate us to lead us to unrighteousness and ungodliness in our households and while we are homeless on the streets and in a homeless shelter. We need to stop letting the world control us. God is the one that has the authority over us to provide us the say so what we need and wants because he is key to the gift of eternal and everlasting life in heaven. Do not let the world and devil hijack and handicap you for your relationships in your household. We need to understand that Christ Jesus is the only one that cares for us at the throne that cares us because Jesus is the one that sacrificed his life for us when he did for our sins and rose again in

that tomb in Jerusalem. Say to the person next to you we need to stay focused and holy to God. God knows our hearts.

Hope and believing in God will help get you out of ungodliness and wicked situations.

Hope and believing in God will help you in the times of suffering and hardship

Hope and believing in God will help you in times of troubles, trials and tribulations

Hope and believing in God can keep you from making ungodly decisions and allow God to guide you in your life.

When we validate ourselves to the world, we are letting the devil minister to us. When homeless men and women validate themselves to the world, they are letting the devil continue to minister to them and do not want to stay in a homeless shelter like Philly House or Star of Hope Mission in Houston to help themselves economically, financially and spiritually. Homeless men and women that want to validate themselves to the world want the devil to continue to minister to them because some homeless men and women want to live on the streets to not stay at homeless shelters. I here homeless men and women say they do not want to have to live with their spiritual selves in order to stay at homeless shelters, so they rather live on the streets in suffering to let the devil continue to minister them to be all about and live with wickedness, mental health, depression, oppression and evil. People are barely helping themselves based on their economic situations spiritually and economically because more Americans are starting to believe that Bidenomics is not working for them.

I do not really believe in Romans 13:5 because I do not believe people should live their life in wrath. I believe more people on earth should be living their lives in more peace, love and respect. I do not believe in Romans 13:5 because I do not believe in living our life on earth in wrath and causing fear and being judgmental around us. People need to provide more good on earth and provide more wisdom and exhortation to God and reason why we need to keep our focus and serve in daily life. We need to continue to read and knowledge ourselves with John 17 when Jesus is speaking to John on eternal life in heaven. I am so blessed right now because I read John 11 and think I will not get sick. I do not get sick because God loves me daily and looks over me daily. When I am sick, I am only sick for 2-3 days because God loves and looks out for me. Last time I got really sick was back in 2013-2014. I had to be admitted to Northwestern Memorial Hospital because doctors told me that my pancreas was on fire based on my lab results in the emergency room. I had pneumonia before that put me in the hospital at Northwestern a year before. I believe that God glorified me through that at that time to heal me like it says about sickness in John 11.

When we are here on earth, we need to be living part of God's covenant and world. We do not live in a part of this world today that can easily hijack and handicap us to cause us to make ungodly decisions that will distract us from God. We do not want to live for a world that wants to keep us away from the Most Holy Place in the tabernacle without no vision and cause us to live

in pain each day of our lives. When we live for God and under his covenant, we can avoid living in a world that can easily handicapped and/or hijack us in every part of our life. Under God's covenant, we can live in a world where we have a clear vision while worshipping God and the Holy Spirit that can get us to the Most Holy Place in the Tabernacle.
