

John 10:9-16

Never Let Yourself Fall Short to Glory of God, Part II

Heavenly Father,

Thank you for this opportunity to deliver this message to this flock.

Thank you for the wisdom and knowledge to help us live freely to God with annointment. .

Thank you for wisdom and forgiveness for our sins.

Guide us with your grace and mercy

You are my personal savior.

You are my one God and master.

Guide us with vision and hope in my life and help our families become obedient to God and the Holy Spirit.

Help and guide me through our trials and tribulations.

Strengthen our contentment to God daily.

In Jesus name, Amen.

I need you to take notes on this because this is good information to take back to your families when you get home or if you are keeping your engagement to the congregation online.

Ways to guide you and yourself from sin and sinning in the Household:

1. If you have children in a single parent household, provide prayer with your children day and day and night for their life and well-being. Children are being killed and murdered daily. Children in Chicago have been getting killed walking home to and from school. Your children as a single parent need prayer.
2. Pray for your children righteousness to stop their sinning. I still support prayer in schools.
3. Make sure everyone in your household honors and accepts Jesus as their personal savior.
4. Raise your children to obey God commandments to live 100% obedient to God and Holy Spirit. This is important to protect your sons and daughters from unexpected rape and incest by going out wild parties, clubs and bars. This will protect women from unexpected pregnancies.
5. Provide a schedule and boundaries for your family in the households to have fellowship and personal bible study sessions with family members. This will make more people not afraid to stay at homeless shelters during their bad and economic times. When your friends visit in your household, you can invite them to stick around and encourage them to participate in the bible study sessions to save their souls.
6. Make sure everyone in your household is born again in the Holy Spirit.
7. Believe Jesus sacrificed and died for your sins and rose again.
8. Attend Sunday school every week to continue to be disciples of Christ Jesus. Importance to increase discipleship in the household.

9. You and your family will not be ashamed to suffer and deal with tribulations. You must believe God can guide you through tribulations. We all have tribulations.
10. You and your family must believe we are saved under God's grace after Jesus sacrificed his life and shed his blood for us that died for our sins. We need to tell Christ Jesus thank you daily for his grace and mercy. Honoring and praying to God with thanksgiving is part of worship and fellowship with God.
11. If you and your family are dealing with wickedness and wicked ways, you and your family in the household need to pray daily to eliminate wickedness in the household to make the household humble and anointed. This will permanently keep wicked people out of the household and create a spiritual environment for the household.
12. Love God first as a personal savior in your household because it stops sinning and wickedness.
13. Pray for your newborn baby after birth. Children are born as sinners and you need to turn newborn babies from sin to avoid them growing up as sinners living in bondage, temptation, sinning and darkness.
14. Serve God with good workmanship-Ephesians 2:10
15. Make sure you and your family find a loyal church home if you do not have a church home. After you find a church home, you need to become a member and get involved in a church ministry. Pastor Aid Ministry, Prison Ministry and Benevolence Ministry are large ministries with a high number of members involved in Southeast Michigan, Chicago and Harlem right now. You do not like my mother and most family members that talk about growing up in church and never committed to going to church week to increase their discipleship and spiritually. I explained in my testimony in October 2023 during the Star of Hope Mission in Houston commencement that I was not raised in Christian household. That's why people told me as a Chicago native in Chicago in 2015 that God chose me out of my family members.
16. Pay off your debts to one another to provide love for one another. You have people say they lack the funds to pay off their debts to others and one another. Pray to God to strengthen your personal finances to be able to pay off your debts to one another. You must have strong fellowship and faith in God to do this. God is able and able to find a way.
17. Read book of Galatians daily to train yourself to live with the fruit of the spirit in your life and in your household.
18. Provide love to family members that hate you. We need to spread love in your family to allow families to be Godly and live in peace. My grandmother on my mother's side is lopsided because she has not lived like a Christian outside of church since my childhood. My grandmother is a lopsided Christian. You do not need to be a lopsided christian.
