

Have Faith, Keep Your Promises to Lord

Psalm 91

Deuteronomy 31:8

2 Corinthians 1:20

When we continue to resist the devil and hell, Satan will leave us alone and stay away from us. Satan will leave you. I'm these economic times, God needs to be in your heart. You can ask for God to forgive you if you are not able to keep promises to Jesus. You do not want to live your life in condemnation by lying to yourself and God daily. Do not be a fool. You can take promises back from God.

Leviticus 19:28

Matthew 12:30-32

When you make promises to God, you need to do the following:

you need to focus on your emotions

acknowledge your mistakes out loud

Think of each mistake as a learning experience

Have conversation with your critic

Notice when you are self critical

Avoid negative messages
