Psalm 61:4

Ways to be a good steward and worshipper of God is success in the tabernacle. You have to confess your sins in order to succeed as a Christian in the tabernacle. Confessing your sins at the brazen alter is important in the tabernacle in order to succeed to the brazen laver in the tabernacle.

Tell the person next to you: God is a forgiver for your sins.

Tell the other person on the other side of you: I will confess my sins forever.

If you cannot get passed the brazen alter, the devil is still trying to control you. You still have secrets and cover ups you are hiding from people. You must sacrifice everything in life to succeed to Holy of Holies in the tabernacle. The devil is causing you to suffer, so you do not pass the brazen alter. Way to succeed in the tabernacle is worship God and actually love God forever. God is a problem solver for your troubles. God is the one that can help you remove your troubles, hurts, habits and hang-ups. Jesus is your savior that provides you with success in your day, but you must appreciate it by telling him thank you in prayer. Let God bless you in your day because he can take away people bad days to convert them to good days. Devil will give up on you when you submit more to God and forget about him forever.

Tell the person next to you: devil is evil

Tell the person next to you: do not discourage or reject God
