Recovering in the Holy Spirit on Earth
Topic: Eliminating Fornification

Revelations 14:8

Tell the person next to you: fornification is wrong on earth

Tell the person on the other side of you: fornification is evil.

People that will continue to provide fornification on earth will fall. Homelessness people in society that continue to provide fornification will fall and will never succeed. People that currently provide fornification will on earth lives will continue to run into a wall. Fornication is being done by the devil by him taking over your mind, body and soul. Say no to fornicators and the devil. Fornicators want Christians to fall from the Holy Spirit.

Hebrews 13:4 and 6

Christians honor their marriages on earth. If you are having problems in your marriage, God will guide and come through for you to work things out. When I talk about marriage in the Holy Spirit, I am talking about marriages between man and woman. God will be the judge in your marriage on earth. Let God choose the right man or woman for you to marry and spend the rest of your life with on earth. Same-sex marriages will have to answer to Jesus Christ on judgment day in heaven. Jesus do not like what he sees on earth with same-sex couples. Same-sex marriage is illegal in the Holy Spirit and to get to heaven. Jesus Christ created marriages with one man and woman with children.

John 8:41

We are born on earth with one father in heaven and God. He is our Lord Savior Jesus Christ. You are born and created on earth to perform the deeds for your father and Lord Jesus Christ.

Ephesians 5:5-10

Fornicators do not have inheritance in heaven and holy spirit.

1. Do not let fornicators deceive you while you are trying to be righteous to God.
2. Do not be partakers with fornicators while you are righteous to God.

When you eliminate fornicators in your everyday lives on earth, you become the light to the Lord on earth. Muslims are fornicators on earth.

- Live life with gladness on earth
- Live life in truth on earth
- Live life in the path of righteousness on earth

Christians can find out what is acceptable to God and in the Holy Spirit by reading the new testament in the bible.

Prayer for the week

Heavenly Father,

Lord Thank you for this day

Lord thank you for what you have given me on earth

Lord thank you for giving me another chance

Lord continue to be my deliverer, protector, and provider

Lord for me for my sins

Lord keep me away from sin and sinful nature on earth

Lord guide me to the path of righteousness
In Jesus name, amen

Jesus Christ is the center. Jesus needs a center. When Christians perform fornication on earth, the devil is talking to you and trying to destroy and control your mind. Pray to ask God to protect you from fornicators and Muslims that are fornicators. Ask God to give you faith and he will strengthen your faith to believe in heaven and eternal life exists. Christians are welcomed to heaven along they are righteous believer of Jesus Christ and holy bible.

Tell the person next to you: God word is holy.

Tell the person on the other side of you: God is a healer.

Whoever supports and praises ISIS, will have to answer to Jesus in heaven on judgment day on why they stand with fornicators on earth. He will not provide mercy to the wicked and fornicators that supports ISIS and killing of humans on earth. What is Muslims and people thinking?

1. Fornicators will continue to live down the wrong path until they change themselves for the good on earth.
2. Fornicators will continue to be homeless and remain shelters because they will not gain God mercy. Jesus is punishing them on earth.

Tell the person near you: stand with Jesus.

Tell people this week in public to youth and young adults to honor Jesus as their savior in heaven and rock of their salvation.

Tell youth and young adults, love Jesus as your savior and rock of your salvation.

Tell youth and young adults: praise Jesus as their savior and rock of your salvation

Tell youth and young adults: read the bible and pray to Jesus daily as your rock of salvation

Nation of Islam and Muslims worldwide need to respect our religion and culture because Christians do not be alienating their people and religion in society.
