

Thy Kingdom Come

Lord Jesus Christ Community Baptist Church
Third Saturday of the month

The Definition of Kingdom

- A kingdom is not a religion. It is the sovereign influence of a king over a territory.
- When we pray, Thy Kingdom Come, we are asking God administrative order to override chaos.
- We need to align our success blueprint with heavenly blueprint.

Praying for the Order of Heaven

- Heavenly is organized with the Holy Spirit.
- We do not pray for money
- We pray for the system of heaven

Scriptures

- Matthew 6:10
