

John 10:9-16

How to win Righteousness as a good shepherd?

Heavenly Father,

Protect us from evil around us and approach us in any situation.

Protect us from idolatry and ignore idols to the world that try to lead us to the path of unrighteousness

Guide us to the path of righteousness so our hearts can grow as a mustard seed

I ask you to continue to praise and mercy on us daily.

Help us use our freewill the right way to keep us on the path of righteousness

In Jesus name, Amen

Ways to win in righteousness as a shepherd to God is being 100% obedient to God and the Holy Spirit.

Ways to win in righteousness is obeying God commandments as a shepherd to God and his kingdom.

Serving God with righteousness is not serving the world and being a tax collector like it talks about in

Matthew's book of Matthew. I preached on being a tax collector previously during Sunday service in

Philadelphia to the congregation. Wickedness is not serving God in righteousness along with being

envious and being hateful towards others. This statement includes people that are ghetto and thuggish like

to walk around with their pants too big and hanging off their behind into the sinful world with idolatry. I

just became a registered volunteer at the Bowery Mission starting later this month. I will be volunteering

to serve meals to residents/clients during lunch and/or dinner, assist with their intake and volunteering in

their clothing room. The congregation is registered with the Bowery Mission and partners with them as a

fundraiser. Finance Ministry members informed me that they approved to spend \$335 next month towards operations in Brooklyn. Money raised from

<https://www.zeffy.com/en-US/donation-form/e053d774-5360-4b4a-9a24-8e958266ff91> will go

to file New York Articles of Incorporation, operations for new church administrative office in

Brooklyn. The Bylaws and Rules Committee will meet to put in place rules and regulations for

new operations in Brooklyn.

Isaiah 43:2

When you continue to live in righteousness to God and let Christ Jesus lift you up from the throne in heaven, he will guide you and lift you up. People on earth and provide evil around them will continue to have the devil around them will continue to have the devil in their heart and will go to hell after they die on earth. It means you are trapped in hell. I see how wicked people on the streets talk to their girlfriends in Houston, Chicago, Atlanta, New York and Detroit with wickedness. That's 100% Godly and the facts. Say righteousness to God is the key to eternal life in heaven. I started to let God lead me since I was in the Spiritual Recovery Program at Star of

Hope Mission in Houston. I let God guide me today. As Long as we live in righteousness to God and let God restore our soul, you are 100% for God and have the gift of eternal life in heaven. You need to let your heart grow as a mustard seed to get to the Most Holy Place in the Tabernacle. I continue to grow my faith in God and let my heart grow as a mustard seed to protect my spot in heaven after I die on earth. Wicked people and people conformed to the world do not believe it is a heaven. Say to the person next to you that heaven and judgment day is real. I believe I am the only person in my family and friends going to heaven based on my strong obedience to God. You will not be able to fear no one and nothing under God faith and protection.

God will continue to be with you daily along as you are obedient to Christ Jesus as christian and disciple. Say to the person next to you: I am a disciple of my lord Christ Jesus. God angels will protect and comfort you daily on earth. Only way this can happen is growing your faith in God, so your heart and mind can grow as a mustard seed. You will be anointed to God like I am anointed to God daily. That is 100% fact. Earth is Christ Jesus kingdom, not the devil. God created the heavens and the earth, not the devil. That is 100% fact. Satan lost heaven and we want the devil to lose earth. The devil needs to lose earth like people like myself guiding you and ungodliness to live with the fruit of the spirit and reading the book of Galatians. We need to be in a position to decide if we want to live in a holy place to God in heaven or a devil place in Satan kingdom forever with no way out. We believe the devil will and can lose the battles by defeating others that do not worship God and the Holy Spirit. Say let God open doors to you to righteousness. People with mental health like to put them through stuff that does not make sense. People with mental health that like to make themselves envy, jealous of others that have more success than them, depressed and oppressed put themselves in situations that do not make sense. I look at mental health as psychological, not a disability. That's 100% fact. I previously preached a sermon to a congregation for people that go through stuff that does not make sense. This sermon is posted online on the church website: ljccbc.yolasite.com. As christian and disciples, we want to win with righteousness and the battle against the devil and Satan kingdom. Do not worry what others think of you as a christian and disciple. Trust God as the rock of your salvation as your provider, protector and deliverer. Do not worry what others think of you as a christian and disciple while you have a prayer life, sacrifice your life to God and Holy Spirit, submit yourself to God and Holy Spirit, do not listen to idolatry and idols.

When we read Psalm 24:1, we must understand that the devil lost heaven when he tried to take over heaven. The Devil thinks he can control heaven like he can control sin on earth. The devil thinks he can control the heavens as unrighteousness like he does to path of unrighteousness and wickedness on earth.

Ways to win righteousness as a good shepherd:

1. Be obedient daily to God as the rock of your salvation.

2. Pray to God for your needs daily to grow your hearts as a mustard seed to protect your gift of eternal life in heaven, protect your gift of eternal life in heaven.
3. Trust God as rock of your salvation
4. Submit and sacrifice yourself to God as the rock of your salvation and continue to grow your heart as a mustard seed to get to heaven.
5. Like I said in previous sermons, it is to improve your inner circle to keep spiritually and deeply spiritual people in your inner circle, have you and your disciples increase discipleship in your inner circle along with stewardship for God.
6. Read and educate yourself on the bible daily. Let God speak to you with his word and educate you on how you can live a spiritual and christian life in the kingdom to get to heaven and stay away from sin and the devil forever.
7. Trust God as your source, not the world
8. Do not live your life by 1 John 2:15-17 by keeping your focus on God's kingdom and Jesus, not the sinful world today.

When I preached on improving your inner circle for God in previous sermons, it goes back to Psalm 5:8 because it is one of my favorite scriptures in the bible to lead to righteousness by spiritual inner circle that keep us on the path of righteousness to God and not worry about enemies that like to hate on us for our truths and serving our life for God the right way on earth. I remember for Pastor James Meeks sermons in 2014 as a member of Salem Baptist Church of Church that we will have people in the world that will hate us because we are cheerful givers, worship and praise God, trust God as rock of our salvation, do not live by the world as our source and provider, have a good heart for God and God is the only one that can judge our good hearts as it grow as a mustard seed, not listening to the world and idolatry. I do not like homeless shelters that do not have a spiritual program, host chapel services and bible study because I see them as full of sin and idolatry. That is 100% fact. More homeless shelters need spiritual and bible classes for clients to mandatory attend because homeless men and women with mental health need to seek God and spiritually in their life, so they do not relapse back into the world after they leave shelters in permanent housing. I talk so highly about organizations like Star of Hope Mission in Houston, which is a christ-centered organization where clients really seek God and follow Jesus in their life with a mandatory curriculum. Psalm 31:3-5 is one of my favorite scriptures in the bible because my case manager and program director told me at the Star of Hope Mission in Houston to let God guide me in my life and let judge the wickedness/ungodly people around you and on earth, let God shield me in any situation and daily, believe Christ Jesus is truth at the throne in heaven. I stick to Psalm 31:3-5 more after the Star of Hope Mission in Houston because case managers and the program director told me I need to let God guide me and take my time with making decisions, so I can stop making decisions too fast and quickly. When I read Psalm 27:1, I believe Christ Jesus is my light and strength in my life that guards my heart and mind. I say mental health is not a disability because I call it mental psychology. It is the devil controlling their minds to cause them to act like haters, anger issues, rage, depression, envy,

jealousy, oppression, bipolar, skisophemia, go out to kill and commit crimes in communities, fall as an under achiever failed to get an education and stay in school. I said in the past that dropping out of school is a time for failure for success that leads to prison, jail, troubled life, living off the government and living at homeless shelters. More people in this nation ages 18-25 have mental health compared to 25-49 at 29%. I want to congratulate those people with mental health that are successful over time that have jobs and christ-centered individuals. I thank God for individuals with mental health that move the devil out of the way from any ungodliness and/or wickedness.

As bishop, I let God find a way for me and not the world to protect my gift of eternal life and getting through the gates of heaven on judgment day when the day comes. I found out my life expectancy is to age 85. Christ Jesus chose me out of all my family members while family members continue to be lopsided and live a sinful life by not disobeying God commandments. I believe people that live conformed to the world and in wickedness will fall like it says in Psalm 27:2. I call mental health psychological for people because people do not understand the meaning of hard work and want to get the easy way out by living off the government with income and government subsidies. It is better to have a job to earn a living and stop living your life in the system by living off the government. Government programs like fixed income, section 8 and SNAP benefits; but people must be willing to make the risk and sacrifices to know the meaning of hard work and earn a living. Democrats do not teach us that on the campaign trail and voters listen to Elizabeth Warren, Bernie Sanders and the squad wing of the Democratic party telling us we can get rich off government. I did not leave the Democratic Party. The Democratic Party left me to become an independent.
