

John 10:9-16

What we need to do is maintain our benefits as a good shepherd?

Heavenly Father,

Thank you for another day on earth

Thank you for the opportunity to still serve as your precious sheep on earth.

Thank you for the food for our bodies and what you have given us daily.

Guide us in trouble times while I am hurting financially and economically in this economy.

Guide and help voters elect leaders that will take away our economic pain and tribulations to cause us to live in poverty and dealing with mental health.

Heal us when we are sick in trouble times

Heal us when we are sick that cannot afford healthcare and/or see the doctor.

Heal us when we are dealing with troubled economic times with poverty, homelessness and thinking lives are running in circles like Russian roulette.

Heal the sick for people that continue to have anger management programs including people that are homeless and live on the streets and/or in homelessness shelters.

Protect our military and local law enforcement daily while they put their lives on the line daily to protect and serve this nation and communities.

In Jesus name, Amen.

We want to make sure we are guiding our sheep to the path of righteousness to God and his kingdom forever. We want to depend on our disciples in our inner circle to help us guide our sheep when we go out to recruit disciples to expand our inner circle to teach people to live in the path of righteousness to God. I do the same thing with I talk and guide my sheep known as my 43 disciples. I mentor my sheep known as my 43 disciples. I use my spiritual gifts in shepherding, prophecy, teaching, knowledge, exhortation and wisdom to mentor other sheep within this congregation and use my pastoral duties to save lost souls in the world. As a good shepherd to God, I watch out for enemies in public and private because you never know when you may run into an enemy or wicked person any day of the week. I watch out for enemies when I had to stay at homeless shelters in the past. That's why I did not try to make friends while living at homeless shelters in the past. I let God guide me in my life with friendships and relationships, so he can guide me on the right path of righteousness. We want God to keep us on the right path of righteousness as a good shepherd to God's kingdom.

I want to share a store about myself. That is the reason I give so much of my income to the poor and homelessness on the streets because I believe my good shepherd for God lines up with good provision to the kingdom. I think I use my good shepherd to God to have provision when I am a cheerful giver to the homelessness since 2011 to try to help and save lost souls to God and the Holy Spirit. I know pastors are supposed to offer free counseling to their sheep as a shepherd, but I offer a monetary donation for my counseling services that explains that on the church website: ljccbc.yolasite.com. I only charge \$20 for my counseling services to provide restoration for God and use my spiritual gifts to make sure people are on the right path of righteousness to God. As a shepherd, I am willing to serve God under his covenant with boundaries, be an example as a righteous person, trust in the Lord and the Holy Spirit, be willing to sacrifice myself for God daily to live right for God and the Holy Spirit, invest my time with God to be live obedient to God and give to God with my income when I have the money to give. I am a

visionary to God to call on God to help me with my vision to accomplish my goals and accomplishments daily. People that like to judge and laugh at other people on earth are not shepherds and their souls are still lost to God. They still have the devil in them to be an enemy and continue to be a sinner on earth. That is 100% fact.
