Christians and disciples are supposed to go out to the world to teach ungodly people about Jesus and Holy Spirit. I encourage students and ungodly people to get involved in spiritual groups at your school, in your community and church more than once a week to learn about Jesus and bible, tabernacle and Holy Place in tabernacle. Students and ungodly people need to make sure the spiritual groups and/or meetings talk about cheerful giving and importance of cheerful giving to poor in order to receive

blessings and praises from Jesus at the throne in heaven. It needs to be bible study groups in schools for youth and children to help them learn Holy Spirit Holy Ghost, bible and tabernacle. As a evangelical, I believe God move me from one place to another. It means when God moves you, God goes with his disciples. Christians und disciples are peacekeepers. God moves people for a reason. God follows his disciples and servants to other places. Christians and disciples give thanks to the Lord. Christians and disciples glory in Jesus name. Christians and disciples seek the Lord and God strength.
