III. Announcements

- The church will start providing financial assistance from Homelessness Financial Relief Program to homeless men and women at homeless shelters in Detroit to free up beds for homeless people looking for emergency housing in the near future. The church will go back to providing financial assistance like in the past according to church financial records and bank statements.
- The Benevolence Ministry provided assistance from the Homelessness Financial Relief Program and Emergency Assistance in the Southeast Michigan and Flint areas with financial assistance, food from our food pantry, clothes closet. Staff keeps record of the local residents and families receiving any social services assistance for different days. The reports for the days go to the Office of Honesty and Transparency, Bylaws and Rules Committee, and Homelessness Prevention Review Board members.

IV. Giving

- Giving during service is more than just dropping in money on an offering plate; it is a heartfelt act of worship. It shows our gratitude for all that God has given us and supports the church work in spreading love and hope. When we give, we are not just donating funds, but investing in something bigger than ourselves, helping build community, and sharing God's grace with others.

V. Scripture Reading

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."-Isaiah 43:18-19
