How to have Strong Faith in the Lord? Part II

When you pray and have faith in God, all things are possible from him. As a Christian and disciple you must be baptized and born again once. Do not get baptized more than once. Before you are baptized, you want to see what turning your life over to Christ is all about. It is one God known as Jesus Christ at the throne in heaven. This nation must be unified to one Lord known as Jesus Christ by living with obedience. We must be a nation that respects the Holy Spirit and God by respecting life on earth. We must be a nation under God to live and support traditional marriage of man and woman with children, no fornication and homosexuality, no drunkenness and marijuana, prayer in schools, no hate and/or violence. That's why I say Donald Trump is wrong Republican in the White House because he provides division, hate, racism, takes voters for granted like senior citizens, the largest body count like Hillary Clinton that uses his supporters to provide violence and destruction in communities and break laws of our constitution.

We need to use faith from God as a shield. We need to use our faith in God to love the Lord. When you have faith in God, you must take sin and flesh out of your lives forever. Strong faith in the Lord requires loving the Lord, having patience for the Lord, and being sober to the Lord. People with strong faith in God thank God for what he has given them on earth. Strong faith in God will deliver us from wickedness, trials and tribulations. People with strong faith in God live strongly by God grace with patience and peace. Cheerful givers to the Lord that pay tithes and offerings in church as well as help the poor financially have pure heart. Cheerful givers to the Lord have good conscience with faith to the Lord. You cannot please God without faith. Strong faith in God will save you from sickness.

- Do not fall into temptation and love money because it is evil
- Pray and ask God for wisdom
- Be diligent to the Lord and Holy Spirit
- Be kind while serving the Lord and Holy Spirit
- Ignore and fight the devil out of your lives forever

Church spent \$11.56 this month on operations and helping the homeless in Illinois. My updated support in this election is too close to call. Based on my voting record in elections, I am 43% Democratic and 38% Republican/conservative. It is \$100 reserved for helping the homeless and low-income Americans in Chicago in November-December 2020.
