Foundation of God's Order Begin by Establishing the Theological Framework

We live in a world with people that are wicked and sinful around us. We live in a world that people love to live disobedient God and love sin in the world. We live in a world that people love the world and people in the world. We live in a world with violence and negative idolatry. We lived in a world that people rather live in abomination to God and live in sin. It is too many people living and providing adultery. It is too many people in the world that rather be tax collectors and be all about mammon.

We are made in God's image with calling to steward and bring order to creation. God is sovereign of all things., including government and nations. God punishes us when we do wrongdoing in our life and he can take things away from us, such as our blessings and he can shut us down and remove us from his kingdom. I believe God is punishing people that talk negative about him and celebrating his death. It is not a game and joke that people lose their life to violence.

Unpacking the Roots of God's Perfect Design to the Reality of a Fallen World

All violence and crime stem from humanity rebellion against God. When you see and hear people talk negative about Charlie Kirk death, they are disobedient to God commandments. Pastors that talking negative about Charlie Kirk in the the pulpit is disrespectful to the kingdom and promoting their sinful behavior in the pulpit. Those pastors talking negative about people death of individual is leaning to sinful ways. Pastors in the pulpit need to be doing their duty to promote healing in a nation that is broken. We stop promoting evil and boasting enemies in the world. That is earthly wisdom. We need to be living our life heavenly wisdom. We need to avoid distractions that distract us from God and Holy Spirit.

- We need to remove and keep evil out of their heart.
- If we are in ungodly citations as a christian and disciples, we must immediately confess and repent those sins to keep a clean and whole heart to God.
- We need to start inviting people to church and motivating people to become spiritual and go to church weekly along with attending Sunday school every week.
- We need to stop leaning on our own understanding and end our pride decisions.
- We need to stop being all about mammon
- We need to stop living as a tax collector.
- We must love and respect one another and respect each other opinions without violence and crime in our communities.

The Call to Peacemaking

As Christians and disciples, we are children of God that are supposed to be peacemakers while serving out the kingdom to protect your gift of eternal and everlasting life in heaven. We must be good people that must love God like we love ourselves. If you hate yourself, it means you hate God because we are born and made in God's image. We must not let the world control us because it is leading us down to unrighteousness and evil. We want to prevent doing things on earth that will lead us to be tormented in hell. Everything we do on earth must be done for God's and living in the grace of God. Christians and disciples do not judge people because Christ Jesus judges our hearts.

- Walk with humility
- Promote peace around you to stop hate, wickedness, idolatry and sin in your families and inner circle.
- Promote and encourage more people to speak heavenly wisdom and distance ourselves from earthly wisdom,
- Try to keep ourselves in humble and spiritual atmospheres and environments
- Change your mindset to God and end your ungodly mindset loving the world more than God.
- Stay away from bondage and temptation

Practical Application

1. Pray for people around us to encourage them to get rid of their wickedness, sin, bondage, living by mammon and temptation, stop living as a tax collector
2. Love God in your heart daily to let God guide your mind and heart to do more righteous things in your life.
3. Improve broken relationships by forgiving people that you did wrong to and make peace with them.
4. Stop being a people pleaser
5. Love one another to stop divisions in your community, families, friends and who you try to destroy and judge.
6. Pray for the mental health to stop their wicked ways, sin, evil and hate
7. Pray for youth and children that they make it for another day and be their protector from gun violence in our communities.

Practice Mercy

I encourage people to find a church home and stay loyal to that church in your community you are safer in church with heavenly wisdom. You are safe in church because it can help us turn from earthly wisdom. Church can protect us from idolatry and sin in the world to prevent us from going out to provide and create evil and enemies. We need to save our souls from the devil and ending up in hell.

Power of Our Testimony

After I was born again, I started to live my life with commitment and motivated towards to God. I used to live in sin as a child because I was not born and raised in a Christian household. I started to have vision to God and avoid living my life by being humble, humility. I started to serve God in whatever I do. I started to fast more God like I always did in the past. God hears my prayers and give me breakthroughs.
