

sex before marriage. It is not part of God Plan to have sex before marriage. God Plan is for us to have sex after we get married to opposite to have children. All couples supposed to be man and woman with children. All couples supposed to stay together and be married to eternally. Say to person next to you: live Godly in your life. Men and women need to stop living on the path of unrighteousness. Say to person next to you: I will not live in the path of righteousness.

1. People need to stop smoking because life on earth is precious. It means we need to oppose legalizing marijuana.
2. Oppose same-sex marriage and homosexuality. All supposed to be man and woman with children. It was Adam and Eve, not Adam and Steve. LGBT community wants you think it was Adam and Steve, but it was not. God never created Adam and Steve. He created Adam and Eve. Adam represents man on earth and Eve represents women on earth. We must be honest with ourselves and spouses because we do not want to be put in a position that we are being deceived like Eve forbid Adam to eat the forbidden fruit in the Garden of Eden. My legal team is still advocating to overturn same-sex marriage to US Supreme court for all couples to be man and woman. Legal team is drafting a motion to US Supreme Court for all couples to be man and woman with children, and LGBT and same-sex marriage celebrations not to allow weddings in a church, make same-sex marriage licenses void in every state, no federal funding for same-sex marriage and LGBT initiatives, ban abortion pills in the USA.
3. If a woman is concerned about her health and wellbeing while having sex, they need to stop having sex with unmarried man and married men by going to clubs and bars, going to wild parties to pick up dates. Men and women need to take things slow to get to know each other. The place men and women is at church or fellowship gatherings because you will be meeting someone/sal more that is a Christian and disciple. Meeting person in a bar is more likely going to be sinners, live their life based on unrighteousness and temptation. Have evil and enemies in their inner circle, live their life in sin.
4. Do not live your life and live like you are a Christian in church and act like a sinner outside of church. You need to pick and choose. Are you going to be a

God created the sun, moon and stars and outer space. God created the universe. You want to avoid and ignore people that speak of heaven and earth. That God did not create the universe. God created the heavens and earth. That is 100% fact. Youth and young adults need to be careful on how to plan their life while they are young because it will prevent them from having to end up in homeless shelter or in prison. They need to have faith and start seeking God in their life now to be saved in the Holy Spirit and live righteous. Youth are young people one like Adam and Moses in 1 Samuel 12:6 that pulled them out of land of Egypt to be righteous to the Lord and Holy Spirit. Youth and young people need to come out of wickedness ways to path of righteousness in the Kingdom of God. We need to convert youth and young adults from being evil or enemies against humanity by providing more love in our communities and need to be saved to make God rock of your salvation. Get the gift of eternal life in heaven. We need to save youth and young adults out of hands of idolatry to stop increase in wickedness in our communities households and public places like it says in 1 Samuel. People need to stop living in fear to the Lord and the Holy Spirit by being dependent on the world. Everyone in this nation needs to be one nation under God to serve and listen to Jesus as our source. Say to person in front of you: do not speak against and disobey God's commandments. You want God to help you in your life and be for you, not go against you like it says in 1 Samuel 12:14-15. Youth, children, men and women need to follow the Lord and call on God as rock of your salvation like it says in "1 Samuel. We must prevent wicked in our free will in our life on earth to do all we cannot sin against Jesus that will be our way to get to heaven and live on earth. God is the way and can teach us the right to live a Christian life and get to heaven like it says in 1 Samuel 12:23-24. If people you know

them.

We need to free ourselves from the world and sin to make ourselves and keep ourselves humble to the Holy Spirit. We need to free ourselves from the world to get passed the bronze altar in the Tabernacle in the Holy of Holies. Say to person next to you: free yourself from sin and temptation. If we do not free ourselves from the world, we are dependent on the world known as money and living ungodly. It is time and moment to become mentors of young people today. Save our youth. We see children and young people in communities acting like they got their own stuff. We see children and youth in this country need to find themselves because they are used to living in sin with sin, temptation and idolatry. Gangs are sin along with being unsure of themselves. Devil wants us to be unsure of ourselves. We need to stay away from things that represent Satan Kingdom.

Ways to Remain Free from Sin and World

1. No ungodly possessions
2. Follow God and let Jesus guide you to prosperity
3. Let God covenant and law guide you through prosperity in your life
4. Read the bible daily will keep you distant from living in sin, temptation and darkness.
5. Honor God as rock of your salvation
6. Trust God as rock of your salvation along being a healer, provider, protector and deliverer. It means as christ and disciple you need to trust God as your supplier and source, not the world. Do not get possessions by the flesh. Do not rely on politicians and government because God is your solution. Why would you rely on governments and politicians as your source and have to pay in tax? This nation is in debt with \$31 Trillion and \$600 Billion in interest in debt. All politicians do is spend and tax to run up the national debt year after year. That's why MLK, Jr. do not believe in electoral politics because it never solved anything and make us divided nation. Do not be ignorant to God to live your life in temptation and sin.

- It's like what I mentioned in my sermon in 2018 in Detroit on your spiritual journey that I talked about following your own destiny and God plan, such as not be tempted to have sex before marriage, do not have children out of wedlock, prevent fornication and temptation in your life to prevent you from down the path of unhappiness. Following the Lord and God Kingdom 100% will get you through the Tabernacle passed the bronze altar to Holy of Holies.

Women bodies are temple of God and supposed to be honored as temple of God and Holy Spirit. Women say they should have rights to their own bodies and able to give abortions are wrong. They are thinking like the devil and Satan Kingdom. Women out there saying government agencies should not tell them what to do with their own bodies. I will continue to say their bodies belong to God and Holy Spirit. Their bodies are temple of God and need to honor God as creator of human life on earth.

Jesus will consume you while you are on earth along you keep strong faith in God Kingdom to hold on to your gift of eternal life in heaven. When Jesus continue to consume you as Christian and disciple, your blessings will not fail and your prayers will be answered as well as promise by God Kingdom of eternal life in heaven. Philadelphia, Pittsburgh, Louisville, Chicago, Dubuque, Detroit, Flint, Cleveland, New York, Baltimore, and Atlanta; I always tell individuals to keep hope in God and Holy Spirit to keep hope in God. When I continue to speak highly of Veterans, I will continue to pray for our veterans that is fighting to keep this nation safe to provide hope for them to come back home to see their families and friends. Read Lamentations 3:24. Read Lamentations 3:26-27. I said in my sermons in the past do not hate, appreciate because we need to obey God commandments by being compassion and peaceful with one another on earth. We need to end and pray for this Global War on Terrorism with IS, Al-Qaeda, and extremists. We need to end conflict with Iran, Syria, Russia, Cuba, Venezuela, North Korea, Yemen and Somalia. I have compassion for the homeless when I donated my own personal money to the homeless for food in Chicago, East Iowa, Detroit, Cleveland, Birmingham, Atlanta, Philadelphia,

1 Samuel 12:25

When you are truthful with God and Holy Spirit, Jesus will provide you with praise from God Kingdom. When you have fruit of the spirit in your life and heart, God will provide you with kindness and truth to you with gladness from God Kingdom along as you done good things for God like it says in 1 Samuel 2:6 while you are living in strong faith to God and Holy Spirit, Jesus cleanse your heart from all unrighteousness by keeping enemies and evil out of your inner circle forever. Read 1 Samuel 7:8-9. God can keep you away from dreambusters and envious people in your inner circle. All you have to do is believe in God and serve God as rock of your salvation to eternal life in heaven. It is time to call on God and seek the Lord by everyone in this nation by rejecting living in sin, temptation and wickedness. It is time that we get our minds on God and stop living in the flesh. It is like what 1 Samuel 22:23 says that we need to trust God as rock of your salvation and our fortress. We are on earth because it will get you through the Tabernacle to Holy of Holies. We need to trust God as rock of ~~our~~ salvation.

An deliver is like it says in 1 Samuel 22:2-3

The messenger of the Lord said to Samuel, "I have made an anointing for you."

 12. Believe God is your source and strength in your life, not the world. Do not listen to people that depend on the world to get your possessions and prosperity by the flesh and darkness.
 13. Read 1 Samuel 22:33 because angels will be sent down to earth to protect you from enemies, wickedness, sinners and you like he do me on daily basis. Proverbs 10:39 11:5-7

Do not worry about haters because people can follow my lead and ignore them. It does not matter that you are a christian and ungodly. When you continue to destroy haters and envious people around that God will destroy haters and envious people around you in public and homeless shelters like it says in 2 Samuel 22:40-41.

LGBT community and homosexuals will fall because I call some of them fake christians. They have to realize and understand that people cannot have it both ways by living a christian life and living in sin. When I talk about people bearing false witness against others, God will judge those people and those people will perish. Say to person next to you: do not let the Lord slay you. I will say it again that God is not done yet because Jesus has cleanse his kingdom on earth from all unrighteousness during the pandemic. God made judgement and not all blasphemers to inhabit the earth called his kingdom. Covid 19 pandemic was the new rapture. Do not let Satan breakup your marriage, family or damage any career you have. You want to get the devil out of the way in your life. People that are LGBT and homosexuals are fake christians because they do not believe God and Holy Spirit. They believe in false information, such as their belief of Adam and Steve. Say to person next to you: LGBT community is evil in society.
