

# DISMANTLING THE POVERTY SPIRIT

---

The Legacy Blueprint: Building a Better You  
Seminars on Wednesday and Friday  
Lord Jesus Christ Community Baptist Church  
Oakland County and Flint

# The Diagnosis: Identifying the Static

---

The poverty spirit is a faulty foundation. It is characterized by three structural defects:

- **The Liar Mentality:** Believing you are always a tenant in life, subject to whims of others rather than Master Architect of your own destiny.
- **The Hate and Prejudice Spirit (Comparison):** Look what others have in jealousy rather than seeing it as a blueprint of what is possible for you.
- **The Disposable Standard:** thinking that you are in a small room, you do not have to follow the excellence code.

# The Extraction Mandate

1. Identify one poverty habit (static) and replace it with a master architect habit (code-compliance) for God.
2. Are you living paycheck to paycheck without a blueprint and fearing your bank account?
3. Are you tracking your talent and seed?
4. Do you have savings today?
5. Do you stay away from revolving door and messed up priorities in your life?
6. Do you have a sanctuary hour at home in silence to study the bible and pray to God?
7. Do you act like Bezaleel that work as a cunning craftsman working and arriving early?
8. Identify one skill you will or plan to master to increase your values towards God?
9. Are you connecting to people in your city or community to expand your network and spiritual journey?
