NEW DIRECTION FOR UNITED STATES OF AMERICA

Bernie Sanders always talking about providing free tuition at public colleges and universities in this country. It can be done by the next President of the United States of America by providing the \$1 billion taxpayer money with \$32.2 billion for education over ten years. Next President of United States of America need to provide an important investment to build more subsidized and affordable housing in states for the homelessness and needy. It can be \$1 trillion taxpayer money used to fix and important rail transportation systems and infrastructure. It can be \$1 trillion go into the Social Security Trust Fund each year to protect social security, SSI and SSDI. Internal Revenue Service (IRS) need to be eliminated and implement the federal gradual income tax. Dodd-Frank need to be overturned and restore glass Steagall. Pastor Hobson supports \$1 trillion to payoff many Americans student loan debt. \$1,050,000,000,000 will be one time appropriations to fund new affordable housing and student loan debt. Pastor Hobson supports \$8 billion for Homeland Security that includes port security, border security, strengthen vetting process for refugees, FEMA and department of Homeland Security operations. It can be a \$700 billion federal balance budget for defense spending over ten years. It can be a \$50 billion used for other government agencies, programs and operations. It can be \$2 trillion use to fund Medicare under the next President administration. Pastor Hobson supports \$3.8 trillion federal balance budget under the next President of the United States of America. All Americans can have access to affordable healthcare under the Affordable Care Act by providing Bernie Sanders Medicare for All healthcare plan. Federal budget under the next President first year can be \$3.8 trillion and can be reduced to \$2.8 trillion under the next President of United States of America and over ten years with a budget surplus. Federal government need to cut taxes and death tax. The federal balance budget will put this nation on the right track and get our fiscal house in order. Funding of the federal budget surplus can be used to pay off debt with other countries, such as OPEC, Mexico, European and Asian countries, and African countries. In order for Congress to restore Glass Steagall, they need to implement the Big Bank Corporate Tax. Big Bank Corporate Tax can tax big banks 15% over ten years. Big Bank Corporate Tax can be implemented to allow big banks to payback money given them to bail them out. Big Bank Corporate Tax can tax big banks based on profits will pay 10% Big Bank Corporate Tax. Revenue for

Illinois and nearly 12,000 full-time jobs have been provided in Illinois. Full-time workers work at staging location in Illinois communities managed by church members and supporters. Community Employment Program will expand to Michigan and Northwest Indiana. Homeless people do not want to live in homeless shelters because some homeless people are LGBT. Some homeless people are uncomfortable being around men that may be LGBT. Pastor Hobson had talks with Budget Committee by conference call on May 25, 2016 to expand the Homelessness Financial Relief Program to help more needy and homeless people in Illinois, Indiana, Michigan, Tennessee, Ohio and Northeast Iowa. Pastor Hobson likes to close public housing in areas like Dubuque, such as Theresa House, Hope House and other supportive housing facilities in Northeast Iowa and some parts of the Midwest.

the tax can be used to provide more small community banks in United States of America. Federal government can receive \$300 million or more in tax revenue each year. Tax can be implemented at the state level in Illinois and other states to have taxpayer money for education, social services and stimulate the economy. Bernie Sanders plan to implement a Wall Street Tax can work as well.
