Ephesians 6:13-18
Luke 18:1-2
Matthew 26:41
Hebrews 4:12
1 John 5:4
2 Corinthians 10:4

I am giving the sermon this Ephesians 6:13-18 because I characterize it as a good scripture to know, learn and get familiar with as we take our Christian and faithful walk to God's kingdom. This is a good scripture to preach on to you today during this bible study because it is a good scripture to serve God on while we take it back to discuss it with our twelve disciples. It is something that I take back to my 43 disciples to continue to give them the wisdom and knowledge to improve their Christian and faithful walk. When I read Ephesians 6:13, I think about when I walk around in public with my bible. I carry and use my bible as my shield in public letting devil and sinful people know that my life and heart is protected by God from the throne in heaven daily. My bible shield is protected by God's word in heaven at the throne forever with the gift of eternal life in heaven. When we have the bible as our shield in public and sin from around us, it helps us protect ourselves with God as a personal savior and with his word in our life daily. When people see you with your bible as a shield, you gain body language or voice response from haters and envy people. People may hate on you because they see you as a humble and spiritual person that cares about reading the bible and using the bible as their source.

What is the result it is doing when you are carrying your bible as a shield from heaven?

1. It is helping you resist the devil and enemies daily.
2. It helps people stay away from evil from their life and around them daily.
3. It helps you stay firm with God daily by carrying the bible as your shield in public places.

Read Ephesians 6:14 out loud. I am preaching from the NIV and NLT version of the bible.

When we just read this scripture, we need to understand what this scripture is saying to us for our life to be obedient to God and the Holy Spirit. We must stand our ground and be truthful about what we do and ourselves. When we catch ourselves from doing wrong in our life. The devil is a liar and he wants us to go through life with untruths and lying that stir up wickedness. The devil wants us to live in the path of unrighteousness. Turn to the person next to you and say the path of unrighteousness is bad for our life. We must win the battle with the devil by staying firm to God and keeping our religion stronger, so we can grow our hearts as a mustard seed to heaven. When our hearts are a mustard seed to heaven, we want our hearts to be like the tree of hearts forever on earth. There is no such thing called the tree of sin unless you are talking about the tree Adam bit into the apple from in the Garden of Eden. Adam sinned and that is the sin that we do not want to have or burden in our daily life. Turn to the person next to you and say stay firm during your spiritual and Christian walk towards God. Turn to the person on the other side of you and say staying firm towards God is part of Good shepherding to the kingdom. As a spiritual servant and disciple to the Lord, I kept my armor exposed to let people know that I am man of God and I am a disciple. This is an important scripture that I want you to turn to and read: Matthew 26:41. I need you to read Hebrews 4:12. The Word of God is alive and powerful because God has sacrificed himself to die for our sins and rise again.

People need to understand by reading Ephesians 6:16 is holding up our shield to heaven when we pray to God for our needs in their life. I remember what Ray J told everyone to hold up their bibles to shake it fast and watch themselves. We must wear our salvation to God as a helmet, not doing this for the devil and world. We need to be alert and persistent in your prayers when you listen to God. I am teaching my first bible class in Brooklyn on July 20, 2024 on the topic: How to be Shepherd-Driven to God? Shepherding is one of my spiritual gifts that I currently have. I need you to turn to 2 Corinthians 10:4 in your bible and

stand up and read it out loud. When I said earlier to use our bibles in public as your armor to the kingdom. You do not need to be ashamed about being a man and/or a woman of God as your source and personal savior along with having on your armor for God daily. I need you to turn to Luke 18:1-2 in your bible and stand up and read it out loud. Do not lose your heart from God and become wicked towards people, making you start to speak and go through your life ungodly. The Articles of Incorporation in the State of New York should be fully filed and processed by August 1, 2024. Turn to Acts 3:19-20 and read out loud. I need you to highlight that, fold the page over or write it down to post it in every room of your house. It is you here that are homeless and live in a homeless shelter. I advise you to take scripture Acts 3:19-20 to memorize it to yourself daily to catch you from providing sin in your living situation and cause you to damage your soul for God and have to obtain so much baggage and bondage from anyone in the homeless shelter system that will not turn their life over to God and not ready to turn their life over to Christ. 87 new members will be baptized by the Holy Ghost and in water this Sunday.
