

Series: Warfare
Being Free as a Nation

I pray for all of us to be free as a nation to stop the violence and police brutality in our nation. I want to pray for African Americans, Latino/Hispanics, foreigners and Asians to be free in this nation without violence, brutality and discrimination. It is still employers, politicians and white Hate groups are still discriminating against people in this nation. I pray for all of us for our freedom and human rights in this nation without discrimination, racism and police brutality. I pray for all Americans to accomplish their goals while walking in their own destiny. I pray for all of us to be free as a nation to have rights to vote and reduce incarceration from police discrimination, racism and brutality. I pray for all African Americans to be free from killing and brutality. I pray for all Americans to be free in this nation to overcome depression and poverty to have same opportunities as wealthy and white people. We need to come together to stand up for freedom together. we need to encourage more brotherhood and sisterhood in this nation, not be a divided nation. we need to refine and reshape the foundation of our nation by providing love and respect for each other across this nation. We must encourage more good relationships in all households across this nation without violence and hate. We must be moral and righteous nation for us and future generations. It is still employers, organizations, white people and judicial system still judging people based on the color of our skin. Our nation has been great since days of founding fathers signed the Declaration of Independence.

Ways to make our society better for children

- * Teachers and parents motivate youth and children to learn to pursue successful careers
 - * Children and youth need to know how to respect others public and elders
 - * Teach children how to work hard for accomplishments and success by staying in school
 - * Teach children and youth that everything requires hard work and not passed down to them
 - * Teach children and youth is hard work and responsibility because everything is handwork
 - * Higher education is good for all and requires hard work and challenges to pursue jobs
 - * Teach children and youth not to gossip and discriminate successful and sophisticated p
 - * Teach children and youth not to provide fornication and sex before marriage
 - * Teach children and youth to respect their parents and families to prevent homelessness
 - * Teach children and youth not be afraid to ask for help from families during tough times
- African Americans are not free in this nation because the following actions in our society:
- * Police discrimination and brutality by white police officers
 - * Lack of sympathy for homeless people from professional people and law enforcement
 - * Lack of sympathy from bias criminal justice system
 - * Increase incarceration from judicial system and serving long prison sentences
 - * Living in poverty and homeless shelters because lack of affordable housing

Latino/Hispanics are not free in this nation because the following actions in our society:

- * Deportation and criminalization
- * Economic opportunities taken away because discrimination
