

## **Eliminating Your Baggage in Your Life on Earth**

People that have too much baggage need church and God to transform their lives to Christ on earth. Stuff happens to people because they hold too much baggage. Bad things happen to people because people could be holding on too much baggage. If you want to live a good and prosperous life, you have to give up so much baggage you are trying to hold on too. Devil wants us to continue to hold on to your baggage. Devil wants us to hold on to that baggage to destroy our minds and souls for God and Holy Spirit. .

People are afraid to worship and praise God because they are afraid of the challenges as a Christian. People fear to worship and praise God on earth, so they rather do stuff by their pride and own freewill. If you do not receive blessings and praises from God, it means you still have too much baggage in life. God puts you through things for a reason to worship him to eternal life in heaven.

Tell person next to you: you have to be faithful to receive from God.

Tell person next to you: let God prepare your life on earth

Do not carry someone else baggage on earth

1. Repent and Yoke yourselves to Jesus Christ
2. Reject politicians that encourages you to support abortion and same-sex marriage.

God is the creator of human life on earth. God will judge people at the throne that with people that disrespectful to his creation of human life on earth. God will judge people at the throne with people to disrespect the story of Adam and Eve for couples being a man and women with children on earth. God continue to provide strategies and breakthrough in my life because God is awesome. When you pray and praise God, Jesus will not forget you along as you are patient in Holy Spirit
