We need to honor God as Christians and disciple because people that live on earth by flesh and Sin is not honoring God and the Holy Spirit. We need to stay away from wickedness and temptation because it does not honor the Lord. We need to save our souls from the devil and wickedness as Christians and disciples. We must be motivators to be doers of the word to honor God. Insurrection and riot at the US Capitol was not honoring God as a christian and disciple. People stormed the auS Capitol and providing threats against Nancy Pelosi will be judged by Jesus at the throne in heaven. Righteous behavior is good for the Lord and honors Jesus.

Things to do while having good character to the Lord and Holy Spirit

- Honor the Lord
- Do not live in fear and be afraid to make sacrifices and take chances
- Do not condemn the Lord
- Let Jesus train you to be good servant to him daily
- Do not be lazy and have good motivation to the Lord in prayer and worship
- Honor God in our marriages
- Seek Kingdom of God and God righteousness
- Pay tithes

Christians and disciples please the Lord daily in their lives on earth. As Christians and disciples, We must believe in Jesus and reward people that believe and honor the Lord daily on earth. We must not retaliate on one another on earth because people that provide hate and retaliate on others do not love and honor God. you do not have your mind and attention just on education and what's going on earth.
