Whatever you do for the Lord and Holy Spirit, Christians and disciples do it in their heart to love the Lord forever. Christians and disciples have to give to the Lord in order to receive blessings from Jesus. We must have the Lord on your minds and souls daily to prove we believe and love the Lord while on earth. We must serve the Lord and evangelism people. Jesus will remember the righteous people on earth. Christians and disciples are not afraid of sinners and wickedness because Lord will protect his servants and disciples on earth.

- Believe the Lord is your strength and shield
- Trust in the Lord
- Be rejoice to the Lord
- Praise the Lord
- Do not deny Jesus as rock of your salvation

Jesus will strengthen you on earth when you praise him and do everything through him. Christians and disciples believe he rested on the seventh day from his work and creations. Everything is possible through God with his prayers and miracles.
