

John 10:9-16

Sowing and Giving as a Shepherd

Heavenly Father,

Thank you for another day on earth and providing this flock with this message from above.

I ask you to continue to be our provider and protector

I ask you to continue to be our healer while we continue to deal with our tribulations

Guide and strengthen us economically to help prosper spiritually to your kingdom, not for the world

I ask you to continue to get the devil out of the way in our life forever

Thank you for giving us a second chance on earth.

Thank you for your love and what you given us spiritually on earth so far in our life

In Jesus name, Amen.

2 Corinthians 9:6-15

2 Corinthians 1:5-11

Matthew 26:6-13

Luke 21:1-4

I am giving this good message because we want to serve God by sowing the seed he guides us on earth. When the Star of Hope Mission in Houston staff says last year to me and other Clients is God put you in situations for reason and purpose. I believe God led me around as a client at Star of Hope Mission in Houston. I said over and over again in my testimonies I believe God led me to Star of Hope Mission in Houston to really improve myself spiritually and what I need improvement in the Spiritual Recovery Program for five months and receive guidance from spiritual staff to make sure I make it to October 2023 commencement from Spiritual Recovery Program. Do not try to be depressed and beat yourself up for being homeless because God put you in the situation for a purpose. God has purpose for you and reason why we need to sow a seed to Christ Jesus. When you hate others that are better than you, it is not showing the seed to God. People that hate and envious towards others and continue to be envious and hate on others need to get out of the way for people that are sowing and serving God in a spiritual way. Tell the person next to you: tell continued sinners to get out of the way. I want to say God has purpose for your life just like I have reason to serve and sow my seed daily to God. I said in my previous sermons and testimonies about quitting previous jobs because it is not where my heart is to sow my seed and serve for God and Holy Spirit. I believe my purpose is not to become a lawyer either. Pastor John Johnson told me while I was at level two in the Spiritual Recovery Program to continue to do what I am doing because I am gifted and unique. I believe my seed to sow to God is to serve low-income communities and volunteer at homeless shelters. I believe my seed to sow is to be a cheerful giver, help the poor and homelessness.

I want to encourage you and others you know to determine your seed to sow to God. You need and everyone on earth needs to determine their purpose spirit to God. Do not be like people that work at social service organizations and homeless shelters to make yourself look good. Those people can be all about mammon. Say do not be about mammon. You could have a purpose to serve God spiritually as a pastor to manage or help manage a congregation. You never know after you strengthen your faith 100% and call on God with 100% prayer life to God. When you are trying to determine the seed to sow to God, you need to keep foolishness and sinners out of your inner circle forever. Foolish people can easily discourage you to

to call and ask God to determine your seed to sow to God. Foolish people need prayer because people who are fools will continue to sin and make you focus on the world. Foolish people need prayer because they can easily distract you from focusing on God's kingdom and the rock of your salvation. Foolish people need prayer because they can steal and have sin in their hearts to distract you from focusing on God and getting your possessions from the world. Do not listen to foolish people that tell you how to guide your life and hate on you because you have more success in their life than them. You want to make sure you have 100% righteousness in your inner circle and 100% faith in God's kingdom. Read 2 Corinthians 9:6-15, God will not worship takers and continue to live for the world daily will continue to live as a sinner to the world. This scripture is more understanding to me and other people that are spiritual that live as a cheerful giver to God like I did to donate more of my personal money to help the homeless and poor in Chicago, Detroit, Atlanta and Cleveland since 2011 to help the homeless based on my personal tax returns. This scripture applies to us here and to myself because I am 100% righteous to God and follower to Christ Jesus.

Read 2 Corinthians 1:5-11

When you read and think about Matthew 26:6-13, the first thing I think about when I read Matthew 26:9 is that people rather be conformed to the world to spend money on expensive items to allow the world to be their provider and supplier. Its call ungodliness and conformity to the world and mammon. People need to stop spending money on their wants and only focus on spending money on their needs in our life. I learned about this in financial management class while I was in the Spiritual Recovery Program at the Star of Hope Mission in Houston when I was at level 4-5 before October 2023 commencement. Say God is your supplier and provider. It all goes back to our tribulations while God put us through things for a purpose. When we give more money to God in church or support the message of pastors in their life, God will provide you a breakthrough and be your provider as long as you have faith in God 100%. We do not need to be all about mammon and buy expensive things. Let God guide you on what you should buy and need. Whatever money we buy that is so expensive, we need to be putting that money in an offering for church and at church because we give you righteousness and breakthrough. Since I learned about needs and wants at the Star of Hope Mission in Houston in financial class, I do not buy expensive stuff any more. I shop at discount and Goodwill stores. You do not need designer clothes and shoes to blend in the world. When I read Matthew 26:10, God is the only good supplier and provider for us when you serve and praise Christ Jesus 100% in your life with workmanship. That is 100% fact. Spiritual people got stuff because God gave it to them from above, not the world. In Matthew 26:10-13, Jesus were speaking to the woman and the disciples in Bethany during the Lord's supper.
