Peacemaker to the Lord and on Earth

We need peacemakers in this nation and world to end violence, terrorism and racism. Peacemakers must start at the top in communities and governments. Donald Trump is not a peacemaker leader because he is the divider in chief to continue to divide us up in this nation. Your civil rights and human rights will be restored in the Biden administration. We do not need leaders in this nation that will divide us up to provide death to Americans and stand with white supremacy. People at the residence in Detroit at 6310 Penrod Street are white supremacists based on research and facts. People at 6310 Penrod in Detroit are Trump supporters based on true facts and research. I will continue to denounce the KKK. We need a leader or leaders that believe all lives matter in this nation by denouncing violence against other Americans.

Donald Trump is causing half of Americans to be disruptors, dividers and killers in this nation with violence and racism against minorities without accountability. The United States of America is a peaceful nation and land of opportunity for people around the world. Peacemakers have fruit of the spirit in their hearts, not hate. Donald Trump is a wrong Republican in the oval office. Peacemakers are moral, peaceful, saints and respect human life in this nation with love for the Lord in their hearts. Donald Trump is causing Republicans to crossover to vote Democrat in this election because Donald Trump is wrong for America and wrong Republican that evangelicals need to support in this election. We must be whole and unified as a nation. We must be whole as a nation like we are supposed to be whole to the Lord in our lives on earth. First Lady Jennifer is a Republican that will not vote for Donald Trump this year.

What's wrong with the Trump administration?

- Divider in chief
- Violate the constitution and oval office of the President
- Risky national security with Russia, North Korea, Iran and China
- Do not care enough about senior citizens and working Americans Mismanagement of Covid-19 pandemic is life or death issue for Americans
- Disrespect career/public officials as President and in the oval office
- Disrespect Muslims with temporary Muslim ban

What is a real leader and peacemaker?

- Love in your hearts for the Lord
- Obedient to the Lord
- No dream busters that hate and bear false witness against others
- Look up to many successful and sophisticated people as mentors, not hate on success
- Protect human life on earth without racism and violence in communities
- Make a difference to give back to help all Americans that are poor and dealing with bad times, except for people that take advantage of you and integrity
- Respect and love each other in our society with communication and collaboration as a community and nation

- Respect God commandments
- Be perfect and diligent
- Be blameless

We must live peacefully and honestly like a peacemaker. You must yield to Jesus as a peacemaker and servant to God. You must be righteous to Jesus as a peacemaker in your heart and by faith. You must fight against Satan to keep peaceful life in your heart. God will lead you to prosperity when you live a peaceful and honest life on earth. It means having a peaceful household and friendships. The Lord will give peacemakers on earth strength. Your mind will be with God as peacemaker. You must have grace from God as a peacemaker. You must be thankful to God as peacemaker. My congregation has gained a new member this week. Right now, the congregation has 3,906 members. Church has gained 69 new members this year because my sermons are enthusiastic and truthful. My sermons are based on facts and truths. Congregation spent \$15.44 this month on church operations and helping the homeless in Illinois based on financial reports from the Board of Trustees. The Prison Ministry is sending letters to inmates and juveniles for a letter writing campaign.
