

How to Avoid Temptation, Sin and Evil of Satan?

1 Corinthians 10:13

In order for us to stay away from evil and enemies whatever you are, you must distance yourself from that evil and sin by going to a holy place. If you are nowhere near a holy place at home or at a family house, you want to go in a room by yourself to pray to God and Holy Spirit to have a relationship with God to keep you away from evil and sin in your family that is not are not christian and disciple. God wants you to motivate people in your family to follow God to be humble and live fruit of the spirit. Everyone needs to feel more thankful they have a family to spend time to time and go to because I hear homeless people say in Chicago and going back to 2014 that they do not have families to go to and depend on. I support unity for families for many years because homeless people that have families need to honor their families in good and bad times. They may not be able to help you financially and economically, but be thankful for your parents, families and living relatives. Honor your family like you honor God and the Holy Spirit. Families should not be distant from one another because families should provide support for one another in good and bad times. We must not sin in families and provide temptation. People are providing sin when they gossip and provide false witness as well as false reports about others thinking you know it all about them.

I want to provide a message to families and friends to be loyal to God and Holy Spirit to be able to succeed in the Holy of Holies in the Tabernacle.

- Do not be tempted to provide sin and evil in your families that caused your families to lead down the path of the darkness
- Do not be tempted to take in and listen to too much baggage
- Do not be tempted to sit at home on Sundays and days when churches in your community have bible study as well as Sunday school. I call on people to worship with us if you need a church home and want to turn your life over to Christ.
- Do not be tempted to live under the darkness and the flesh because it is time to turn life over to Christ and ask for God to come into your heart to save you from Satan Kingdom, darkness, sin and temptation
- Do not be tempted to live for Satan and his kingdom
- Do not be tempted to let other people get you into trouble that lead you to the darkness

Another way we need to resist temptation is stop hating on one another and causing others to hate on you because you are successful, have a career or job, doing well for yourself economically and financially, live a bad and corrupt life in prison or jail and/or have a relationship with God. We need to support one another and look at others as leaders in your community that make a difference and have a good heart to give back as a cheerful giver and

with fruit of the spirit. If you catch yourself leading in a path to temptation and darkness, pray to God to give you strength to defeat the darkness, temptation and sin.

Say to the person next to you living by Satan Kingdom is bad

Say to the person on the other side of you Satan spouse Lilith is bad and the enemy

Matthew 12: 31-32

Malachi 2:16

Micah 7:18-19

Ephesians 4:26-27

We need to avoid sin to win the battle with Satan Kingdom by not letting him control us to do bad things and become takers. We need to win the battle against Satan kingdom to defeat his sin and temptation in our lives, families and friendships. We do not want the devil to break up our relationships, families and relationships. We want to win the battle in our lives to defeat the devil to remain in the Holy of Holies in the Tabernacle. We want to win the battle against Satan's kingdom to defeat him from leading us to evil and darkness to kill, provide crime and violence, and expecting the devil to get us what we want. Satan cannot give us what we want because whatever he offers is bad for us and our life on earth. Satan's law is sin, evil, worry, pride, greed, lust, envy, gluttony, wrath and sloth. Tattoos are sin. Divorce is a sin. God is taking note of everyone's sins on earth. God is the one that is the rock of your salvation that creates the work for you on earth. It is not Satan and his kingdom that create your work on earth. Eating pork is a sin. When you succeed in the Holy of Holies in the Tabernacle, it is your key to getting to heaven and getting through the gates of heaven past God and Jesus at the throne in heaven. When you succeed in the Holy of Holies in the Tabernacle, it is a success for your gift of eternal life to get into heaven.

Say to the person next to you: keep your place in the Tabernacle

My three aunts on my mother's side of the family provided sin by being married and divorced three times. Whoever we meet of the opposite sex to seek relationship with, we are supposed to be loyal to one man and/or woman to eternity. It is the thing to succeed and stay in the Holy of Holies in the tabernacle. My aunt on the biological father side of the family provided sin three times. I have cousins on my mother's side of the family who provided sin because they had babies and got pregnant before marriage. I have cousins on my biological father side of family that provided sin by having sex and babies before marriage. We are supposed to wait to have sex after we get married to have children because it is godly thing to do for God, Holy Spirit and succeed in the tabernacle. If you are in a situation feeling like you want to get to divorce, my advice is to work it out with your spouse by talking to your pastor or deacon at your church.

Deacons are available for spiritual counseling and I am available for spiritual counseling for in-person and phone spiritual counseling.

- Do not depend on greed, let God be your provider and deliverer
- Do not depend and live your life on pride, let God be your provider and rock of your salvation
- Do not worry about other things and what people think of you, let God do his job and be the judge of all people on earth as your personal savior and rock of your salvation. God wants us to worry about our lives, goals, accomplishments and destiny.

When you sin, we must admit to our sins to ourselves, feel sorrow for our sins, forsake our sins, confess our sins, make restitution, forgive others and keep God's commandments.

Evil people lack responsibility, are cruel, lack remorse, mislead you, feel strange around people, dishonest, control issues, misfortune of others. We need to stay away from those traits as Christians and disciples to remain in the Holy of Holies in the Tabernacle. God can make you strong with your strong faith and Christian life with God. Satan will make you weak and make you live your life down the wrong path of unrighteousness and darkness.

I know this does not have anything to do with the sermon and the topic, but I want to say that I will preach on books that are supposed to be in the Bible that were written out of the Bible by King James. I want to explain all truths about God and life of God and Jesus to members and visitors during services and Bible study.

These are the prayers to know and pray to yourself daily and weekly to keep sin, evil and temptation out of your life as a Christian and disciple to maintain your place in the Holy of Holies in the Tabernacle.

Lord Fights My Battles

Heavenly Father,
I thank you, that you are good and you fight my battles for me.
I labor in the world and enter into your rest
I allow you to be an enemy to my enemies and an adversary to my adversaries. I allow you to execute judgment against my spiritual enemies and my foes.
Set up ambushments against them as I sing and praise you Lord
Cause my praises to still the enemy and the avenger
Ordain strength out of my mouth
Make a plain path before me in spite of my enemies
You are with me. Work miracles on my behalf.
Deliver me from great deliverance.
Tread down my enemies
Cause every rebellious spirit to spirit themselves to you
I speak peace, be still to every storm the enemy is trying to stir up in my life.
I command the way of escape out of all temptation to be made plain to me
I call for the ministry of angels to hasten my escape and deliverance from all evil
I thank you Lord, the son has made me free
The truth has made me free indeed, and is my shield and buckler
No weapons formed against me prospers
I tread on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt me
I am redeemed from all evil and I am the blessed of the Lord
I triumph in Christ
I have great victory
I have overcome the world, the greater one dwells within me
The works Jesus did I can do
So I submit myself to God and command the enemy to flee from me
In Jesus name, Amen

Males being Tempted Away from God

Heavenly Father,
I pray for our youth and adult men who must be freed from the pull of the wicked one. I break the power of the devil off of their lives, and I decree that they have been delivered from the power of the darkness and translated into the kingdom of your dear son. They have put off the old man. They have awakened to righteousness and they sin not.

I pray for these mighty men of valor that you have chosen and ordained to represent you as ambassadors in your kingdom, to change this world through God and Jesus Christ. They are the

generation that seeks after God. Their passion and zeal for you brings many to Christ. They are in his world but not of this world. In you they live, move and have their being.

They are prophets to their generation and fear no man. They walk in the truth and set multitudes free. Your gifts and callings upon their lives are without repentance. It is you who are working in them that they may both will and do of your good pleasure. They were chosen in Christ before the foundation of the world and are holy and without blame before you in love. They are sons of God, without rebuke, in the midst of a crooked and preserved nation, among whom they shine as lights in the world, holding forth the world of life.

Thank you Lord, the Comforter, the Holy Ghost teaches them all things. They are led by the spirit of God and they are the sons of God. They are delivered from the bondage of corruption and lust of the flesh and walk in the glorious liberty of God son., conformed to his image, called, chosen and anointed according to God purpose, plan and destiny.

They are more than conquerors, triumphant in Christ, walking by faith, perfected in love and skillful in the world of righteousness. They are subduing kingdoms, enforcing righteousness, possessing promises,, rich without toil, dominating world systems, are valiant in the fight of faith, and have possessed their divine destiny, they subdue all the power of the enemy. They are as bold as a lion., wiser than their teachers, transformed by renewed minds and are generals in the army of the Lord. In Jesus name, Amen.
