

Series: John 10:9-16
Colossians 3:1-17

Heavenly Father,
Keep us humble to your word and live for heaven
Thank you for this powerful message today to this flock to better serve God
Thank you for your grace and mercy
Thank you for your holiness on earth daily
Thank you for sacrificing your life for us and dying for our sins.
Thank you for this flock and growing flock year after year and week after week.
I ask you to save our young children and minors to help them seek Christ in their life.
I ask you to save our family, friends and others on earth to save us from mammon.
I ask you to protect us from humility by being our protector and let us continue to protect us with the armor of God.
Guide more people on earth including homeless men and women to love Christ Jesus more not love what they can gain from the world.
In Jesus name, Amen.

We need to stop seeking things on earth because it is the reason why people lose possessions after baptism and are born again. I am not saving. We should condemn the world, but help be a servant to save the world like Jesus did when we were sent to earth by God. After you are born again in Christ, you are starting out from scratch and have to build yourself up through Christ the righteous and Godly way. Jesus wants us to get what we need through him when we pray for it and he allows us to have it. Say to the person next to you, start getting things and be attracted to things from heaven, not earth. Jesus is the ruler in heaven at the throne that died for our sins and rose again during the resurrection. We must honor and obey Jesus as our heavenly father in heaven. I apologize for preaching the same scripture to you like what Pastor Creflo Dollar is currently talking about in his sermons. My series is different from his. I am preaching on the series of shepherding and he is preaching on God's grace.

1. Build yourself up spiritually through Christ Jesus.
2. Pray to God for your needs from heaven.
3. Be anointed to God daily. I encourage you to fast three times a week to prove our love and anointance to God. I do not mind anointing and fasting three times a week. It is all about sacrificing our life and bodies for God.

We need to be setting our mind on things that we can get on earth. All we are doing is distracting ourselves more from Jesus. We need to stop listening to people in the world through idolatry and sin on setting our minds on things we can get on earth. We need to stop thinking on earth about what we can get someone on earth that is more likely a sinner and unrighteous person. Whatever

we get on earth from more likely a sinner or enemy of God is pretty much bad for your life as a servant and righteous to God. When we get more from earth, the devil is winning. We need to stop letting the devil win and give God that win. We want to humiliate the devil by being attracted to heaven and getting more of our possession from God through prayer and having faith in God. When more people have their minds on getting more from God, our Lord Christ Jesus is winning the war against the devil. Say to the person next to you: God needs to take back his kingdom on earth from the unrighteousness and sinners.

When you glorify God in your life daily. God will continue to be with you. It means Jesus is the only God who can give you a breakthrough in your life. It is important to depend on and look to heaven for God to be your supplier and source. Earth is not your supplier and source. Say earth is not your source. We need to stay away from things that will lead us to unrighteousness, sin, temptation and ungodliness that can lead us to death. People who are 100% saved by God's grace will die on earth with a spiritual birth. People who live 100% obedient and righteous to God will die on earth with spiritual birth. We need to stay away from wrath and live in peace. That is what God wants from us.

We need to be focus on heaven and above by not doing the following:

1. No wrath, filthy language and blasphemy. Wrath means we need to stop living our life in anger. That's why we need to pray for people with mental health today and call on God to save people living with mental health. We need to pray for children and minors out here today because you hear minors and children out here talking like they are grown with filthy language.
2. Do not lie to one another
3. Honor God as he is an image of you
4. Do not fear God and fear to serve God as rock of your salvation
5. Be more obedient to God as the rock of your salvation.
6. Forgive more people. I want to be honest about forgiveness because it always takes me 5-10 years to forgive people that disappoint and hurt me. One thing I learned from case management and staff at Star of Hope Mission in Houston in the Spiritual Recovery Program is to start forgiving people and not waiting for years and long periods of time to actually forgive people. I am still working on that weakness while in Philadelphia as an ordained bishop of this congregation. I have to decide if I want to forgive this person and think about if I should forgive this person.
7. Avoid humility and/or humiliating people as much as possible in your life on earth.
8. Do not complain about God and others. We need to let God be the judge from heaven.
9. Love one another
10. Live and be obedient to God with thanksgiving
11. Be a doer to God and the Holy Spirit

12. Put God's kingdom first in whatever you do and decisions we make on earth.
13. Seek things are above in heaven
