IV. Giving

- Giving during service is more than just dropping in money on an offering plate; it is a heartfelt act of worship. It shows our gratitude for all that God has given us and supports the church work in spreading love and hope. When we give, we are not just donating funds, but investing in something bigger than ourselves, helping build community, and sharing God's grace with others.

V. Scripture Reading

"The servant who knows the master's will and does not get ready or does not do what the master wants will be beaten with many blows. But the one who does not know and does things deserving punishment will be beaten with a few blows. From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked."-Luke 12:47-48
