Tell person next to you: God is love

Christians and disciples must have good will towards Jesus and heaven. It is only way you will have gift of eternal life in heaven. A woman name Yomary Hunt in Cleveland will not go to heaven because she is disrespectful to God servants and she is a sinner. She is all about doing things purposely by the flesh. Love is like charity and charity to Jesus forever. People that listen to rap/hip-hop do not love God and not going to heaven. That is 100% fact.

1. Love your parents and children like you love God.
2. Love your spouse like you love God.
3. Love your bible daily.
4. Love Jesus in your heart forever.
5. Love Jesus with happiness and gladness
6. Love your neighbors with gladness

Christians and disciples love Jesus without hatred and sin. When you love Jesus, you must have self-esteem, motivation, commitment and excitement to seek him daily on earth. You must love God/Jesus first than anything else in the world. Love will heal you when sick. When you love the lord, it means you trust Jesus and throne in heaven than anything else. When you repent and confess your sins, you will pass the brazen alter in tabernacle. When you are motivated and committed to love Jesus, you are passed the brazen alter in the tabernacle. Love for Jesus is being in the Holy Place/Holy of Holies in the tabernacle forever. Do not hate on others accomplishments and success as a hater, pessimistic and sinner.
