

Have Faith, Do not be Afraid to Stand Up to the Devil

Christians and disciples do not need to be afraid to stand up to the devil because people need to realize that your life is at wartime against the devil. While the devil wants you to succeed with the gift of eternal life in heaven, the devil wants to take the gift of eternal life away from you. While God wants you to succeed in the tabernacle at the Holy of Holies, the devil is trying to keep you out of the tabernacle and at a brazen altar. Christians and disciples need to treat and honor the Lord as their shepherd.

Ways to Avoid the Devil and Darkness: \

1. If you sinned, you need to confess and repent because it can restore your soul for the Lord and Holy Spirit. You must commit not to sin again from the day you repented and confessed your sins. When you continue to sin and live by the darkness, you are leading your lives down the path of unrighteousness.
2. If you continue to sin, you need to keep sinners and wickedness out of your inner circle forever. It means meeting new people and Christian people because righteous people will teach you and guide you to live the path of righteousness on earth to eternal life in heaven. Righteous people to the Lord and Holy Spirit can teach you how to think positively and correctly with good contentment. For example, do not be confused and be unsure of yourself on earth. Other Christians and disciples can teach you how Jesus can comfort you on earth to the throne in heaven.
3. Do not fear evil and enemies on earth. It means do not let homeless people or others intimidate you because wicked people are trying to drag people down to sin and darkness. Pray to God and faith in Jesus to protect you from gang members during the day and night because Jesus can send his angels down to earth to protect you from bullying, gang members and hoodlums. When you have patience in God after you pray and have faith in him, it will protect high amounts of deaths in this country from gun violence and domestic terrorism. You need to be fearful to the Lord because he will judge your heart, integrity and what you do in your life on earth.
 - a. Anoint your head with oil everyday at home and before you leave home
 - b. Let God mercy follow you while he answer your prayers
 - c. Treat and trust the Lord as rock of your salvation
 - d. Treat and trust the Lord as your strength

When you pray to Jesus about evil and enemies in your lives, he is the only God that can remove and resist devil evil in your lives. When you see Jesus eliminating more enemies on earth out of your lives, it means Jesus is our God that is taking back the Kingdom on earth to restore peace and fruit of the spirit on earth. When you have strong faith and praise from the Lord, you should not be afraid of evil and enemies around you on earth. Christians and disciples do not no longer listen to the flesh and sin, they do have to worry fear from the devil. Christians and disciples do not no longer listen to the flesh and sin, they are protected by God from the wicked.

Jeremiah 14:27

Congregation will reopen for operations and services in Detroit and other cities in the United States of America after First Sunday in June 2020. 308 out of 3,856 members tested positive for the pandemic. Church staff was instructed to work from home while handling church operations. I do not live in Atlanta any more because he left the State of Georgia on April 17, 2020. Congregation lost eleven members from Covid-19 pandemic. Bylaws and Rules Committee-Subcommittee on Pandemics will work to make sure affected Covid-19 will recover to return to their lives and church services. My executive order expired 11:59 pm on Memorial Day to end online church services and operations to comply with social distancing as well as stay-at-home orders. Homelessness Ministry staff are allowed to reopen operations for more in person operations for Emergency Assistance Program and Homelessness Financial Relief Program on June 8, 2020. Homelessness Ministry staff will continue to provide social distancing procedures for the need for food and services. People told me I was better off moving back to Detroit because congregation operations are headquartered in Southeast Michigan. The Church Homelessness Ministry and Board of Trustees will invest \$210 for homelessness outreach in Chicago to help the homeless on the streets with food and personal care packages. The Church Homelessness Ministry and Board of Trustees will invest \$210 in helping the homeless in Detroit at Detroit Rescue Mission Ministries. Church staff and I decided not to expand to the State of Georgia right now and decided to keep our focus on the Midwest and Northeast. 71% of Homelessness Ministry operations are used to help the homeless in the Midwest and only 16% in the South. New church building could resume starting July 2020 based on a signed executive order.

Also, churches plan to provide affordable housing to homeless people and low-income people this fall to reduce the overflow of homeless men and women in Detroit. It will provide affordable housing to two hundred homeless men and women near the new church building. We can expect to receive \$40,000 rental income in Detroit to pay for repairs and renovations, maintenance employees and Homelessness Ministry operations.
