Honoring God Throne

Ask the person next to you: do you honor God daily?

Isaiah 6:1

Isaiah 66:1

The throne of heaven belongs to God. Everything on earth belongs to God. Earth and heaven is God house only and forever.

Hebrews 1:8

Heaven is the kingdom of righteousness. You have to live the path of righteousness in order to receive the gift of eternal life. Christians obey the bible to stay away from sinners and sin. God laid foundations on earth.

Hebrews 4:16

Throne of God will help you in a time of need. Throne of God is merciful. God grace helps you in the time of need if a Christian allows him to do so.

Revelation 3:21

Revelation 20:11

We need to honor God throne because he is the creator of everything. Allah and Muhammad did not create the heavens and earth. We need to honor and love Jesus forever because he made us. Jesus sacrificed his life for us and died for our sins. We or parents did not make us on earth to bring us into this world. God brought us here. God created us within his own image. God wakes you up in the morning and not nothing else.

Read the new testament because it is the important part of the bible.

Ask the person next to you: do you love God as father in heaven and savior?

Tell the person next to you: I am thankful

Tell the person on the other side of you: God is holy.
