

Increase Your Love for the Lord

I need you to increase your love for the Lord to list your worries and why you love the Lord on earth. Our troubles call to fill our prayers with love and empathy for others. List your troubles in your daily lives you want God to eliminate and praise you.

Acts 17:1-9

1 Thessalonians 12

We must have good charity and faith as a cheerful giver on earth. Thank God daily for what the Lord has done for you on earth.

Can you persevere to God today?

Who can you persevere on earth today to follow the Lord?

Tell the person next to you: God worship is priceless.

1. Sacrifice yourself and lives on earth for your love for the Lord.
2. Fasting to the Lord
3. Seek the Lord and strength
4. Remember what he has done for you through faith.
5. Be mindful to God and Holy Spirit
6. Succeed to the Holy Place in the tabernacle
7. Treat God and Jesus Christ as your eternal father
8. We must be humble

God loves for us will always be priceless within worship. Priceless worship is blessings from the Lord daily. God makes everything new. God is your key help from distress. Ministry will heal your hearts on earth to heaven. God provides us with rewards when we believe, pray and have faith in Jesus. God rewards when we live obedient to the Lord on earth forever. God rewards us when we follow his way and his plan. God understand struggles we face. We are Jesus and God letters. The clearer we see God, the clearer we see ourselves.
