

Be Disciple, Learn How to Worship and Pray

We must honor and admire God because we must adore Jesus daily.

God is faithful

God is merciful

God knows everything because he looks down on us daily on making sure we are living righteous. Jesus controls our gift for eternal life in heaven.

We must confess and be truthful to God and the Holy Spirit. We must confess to God daily to what right in the Holy Spirit. We must choose to do things right way and stop doing too many things by Freewill. We must live an honest life with relationships and friendships. Everyday in our lives need to be thanking God and the Holy Spirit.

Thank God for good things done for you

Thank God for the difficult things he has given you in life

Thank God for your answered prayers

Thank God for our contentment and things we do not understand in life

Thank God for being good to him in everyday in our lives

Thank God little and big things

Christians and disciples pray for our motivation and commitment to God daily to prove our love for him. Christians and disciples pray for sinners and wickedness to seek God because wicked and sinners always discriminate against the bible calling the bible and heaven lies. Wickedness and sinners are telling people false information because they have hell and devil in their minds. Wickedness and sinners including Muslims call the bible book of lies and demons. Christians and disciples pray to God to help them grow spiritually. Christians and disciples pray to God to keep me away from evil and enemies. God bless me by keeping sinners and wickedness out of my inner circle for years. Christians and disciples pray to keep people out of trouble and temptation. Christians and disciples pray to God by four prayers, such as adoration, contrition, petition and thanksgiving. It is important to praise God, ask God for forgiveness, asking God for a favor, and showing God Gratitude.

Christians and disciples keep friends and loved ones in our prayers daily. We keep love ones in our thoughts, encourage and provide to others. People can worship God alone without being in church. Most honest countries are Switzerland, Denmark, New Zealand, Finland, Norway and Netherlands. People tell 89,000 lies in a lifetime according to statistics. Lies make you harmful and guilty. Bobby Jones was the most honest person in the world. Our politicians in this nation are not honest because people campaign for offices for support and do not serve their purposes. It means people serve in office for own self interest after elected and term limits for all elected offices are critical to make our governments more honest.
