We need to be honest and good people in society to lead us to the path of righteousness and get us through the Tabernacle. it is time for all these corrupt people and politicians to be judged that accept stuff wrong and ungodly way on earth. It is time for all these people on earth to be judged by God at the throne in heaven that discriminate and talk negative about churches, people and houses of worship in this nation and abroad. We need an honest nation under God to denounce abortion, sin, abomination, trials, tribulations and same-sex marriage. All couples supposed to be man and woman with children because it is the Godly way and God plan. Adam represents men and Eve represents women on earth. You need to stay away and remain distance from people that curse and use a lot of profanity on a daily basis. We need to be honest nation to end all this brutality, gun violence and crime in our communities. it is time for us to eliminate dishonest people in this nation from jobs and organizations including homeless shelters to replace them with more honest people that are honest, truthful and Godly. turn to person next you: lets end idolatry and sin in the workplace. people are honest and truthful in the world will lead to peace and love. When people provide hate in the world and envy, it leads people to the path of unrighteousness and darkness of Satan kingdom. When people provide hate in the world, it leads people closer to Satan kingdom that will not lead to eternal and everlasting life in heaven. When you head for hell and Satan kingdom when you die on earth, you are stuck in hell and Satan kingdom with no way out. As a christian and disciple, we want honest people to tell the truth to remain in God kingdom after we die on earth. Rich people and wealthy religious are dishonest people based on what you hear in the media and online. When God come into your life, it will lead us to good and honest life on earth until we die. You want honest family and friends in your inner circle, not corrupt and all about abomination. God is the only one that can judge your good and honest heart, not no one else. When you trust God as your shield, it will get you through the Holy of Holies in the Tabernacle to Holy of Holies. When you are faithful to God and the Holy Spirit, you will continue to move through the Tabernacle to the Holy of Holies by living by God covenant, God grace, believe his mercy and praises are true, serving God under pressure to hold onto gift of eternal and everlasting life in heaven, living a prayer life. #### Ways to Restore and Provide Honesty in Society

1. eliminate sinners, ungodly and liars in the workplace
2. encourage employers to recruit more honest and truthful people in the workplace that live their life with fruit of the spirit
3. Cleanse evil and enemies in your household by turning your life over to God and start living a prayer life for God and the Holy Spirit in order to get through the Tabernacle.
4. Sinners and ungodly people need to find themselves by spending time with themselves to seek God and repent in Jesus name and the Holy Spirit, learn and read the bible, pray and ask God to come into your life.
5. stop the hate, gossiping and bear false witness
6. Improve your friendship in your inner circle by stop making friends that have evil and sin in their heart most of the time that like to sin and live in the darkness, stop hanging around people that think they know it all and do not know the facts and truths about people. That is 100% fact. This statement applies to people and coworkers in the workplace in this nation.

First Lady Jennifer and I do not to be rich and live rich lifestyle because we do not want to live in a mansion or big house, and drive fancy cars, wearing expensive dress up clothes. First Lady Jennifer and I do not want to end up living in the darkness and sin caring about ourselves. I do not care about myself as a taker because I care about helping the poor and homelessness like stated in my life testimony recently posted on the church facebook page. Everything in the

testimony is 100% true about my life religious leadership. When members and visitors that attended services every week since 2014 pay tithes and offerings, it actually impact church operations and help the homelessness in Chicago and Atlanta. I do not control the church accounts and finances. Church website is getting updates right now but church staff is not finished because bylaws need to be updated for only Atlanta and Chicago church operations. Church operations is about keep it main focus in Atlanta and Chicago.

If you want to seek God and be in the path of righteousness to get through the Tabernacle, you need to read and memorize Psalm 107-150 because they are important scriptures to keep and know God is in control. I am blessed and still feel like God has army of angels around me daily to keep me righteous and away from evil. God hear me daily because he controls my thoughts and in control in my life. When he hear me, my blessings are 100% granted and is rewarded from the throne in heaven. God continues to bless me in bad and hard times like in this present day. I want to continue to say God is awesome.
