Fruit of the Spirit in your Life

God creates fruit in your life while you have faith and obedience to the Lord. Your life can flow through God as a Christian and disciple on earth. Christians and disciples leave results to the Lord and Holy Spirit forever. God will help you be strong during failing and bad times. You need to be grateful to God and the Holy Spirit. We do not need to forget what God can do for us in our lives on earth, such as keep us out of the darkness, sin, temptation, disobedience to God and Bible, ending homosexuality and abortion, and honoring life on earth. We need to think how God can answer our prayers. We need to be reminded about God's goodness, faithfulness, praise and mercies.

How does remaining connected to Jesus produce love in your life?
What are the other blessings of being connected to him?

Picture your name written on God's heart.
How does that encourage you to carry on when things go well? And when things go wrong?
In what areas do you struggle to trust God?
What Bible verses help you to remember how much he cares for you?

Isaiah 5:1-7

Luke 10:1-20

Deuteronomy 8:2-18

The church spent \$8.86 on operations and helping the homelessness in Illinois this month based on reports and briefings among the board of trustees. It is the amount the congregation spent this month so far based on Board of Trustees briefings and reports. Right now, the church has a \$51.92 budget surplus that means the church raised \$470.50 in 2020 from members in Illinois.
