

# AMERICA HOMELESSNESS COALITION

Volume 1/Issue 10

## GUN CONTROL AND TERRORISM

Board of Directors and Pastor Hobson supported the amendments that were rejected by Republicans in US Senate on June 20, 2016. We supported the increasing funding for gun background checks, ban sales to those on No-Fly list, and require background checks at gun shows. US Senate and Congress need to pass national background checks on guns.

## PASTOR HOBSON AMERICAN INTEGRITY AS A COMMUNITY RELIGIOUS LEADER

Pastor Hobson integrity is good and do not like people that are haters of his integrity. Pastor Hobson do not like people at Dubuque Rescue Mission and Catholic Worker House-Hope House questions and act like haters of his integrity. Some people in Dubuque do not believe in Pastor Hobson integrity and good leadership. They are wrong. They should be held accountable as necessary. He has a long resume giving back to the homelessness and needy in urban cities and Chicago. He do not like people at community centers and churches acting like haters to his good integrity towards the homelessness and needy in this nation. He does not like some people in the Illinois General Assembly like Marcus Evans acting like a hater towards Pastor Hobson on his good integrity as pastor. Some people in Chicago call him a role model because I never had a criminal record. He enjoys giving back to the needy and homelessness in this nation as religious leader and based on good integrity. Donations and homelessness outreach in Illinois is legitimate. When pastor Hobson passed by homelessness in Chicago up to summer 2015, he always gave money and loose change to the homeless personally. Grants were given to the homelessness and needy in Illinois, Michigan, Indiana, South Carolina and New Jersey. Pastor Hobson helped feed and serve the homelessness in Chicago. Pastor Hobson helped prepare meals for the homelessness in Chicago. Budget Committee chair is very transparent on homelessness outreach. Budget committee members and chair handles business finance. Budget Committee in Chicago informed pastor Hobson on June 19, 2016 that twenty applications from Homelessness Financial Relief Program has been approved to issue grants and financial assistance to homeless people in Michigan and Illinois. it means 149 homeless people has been awarded financial assistance. Spreadsheets and financial records will be updated by Budget Committee members and leadership. I appointed the Minority Community Economic Opportunity Taskforce and LGBT Human Rights Taskforce. Black communities are living in poverty, finding jobs and having access to social services. Community Employment Program have employed Latinos and Black/African-Americans age 25-34. It is more black/African-Americans men out of work in this country and need to change.
